You're Invited for Coffee and Conversation

DID YOU KNOW?

Social Isolation is a risk factor for Elder Abuse.

In this fast paced world many people in your community may be socially isolated.

June 15 is World Elder Abuse Awareness Day

Join us on June xx for a videoconference presentation with Charmaine Spence, Lawyer and Research Associate in Vulnerable Populations Simon Fraser University, Vancouver.

Charmaine will share information to help you understand social isolation, who is most at risk and how faith communities can take action to help.

Location: Atlantic Technology Centre, 90 University Avenue
Time: 2:00pm

Refreshments will be served.
