

**Premier's Council on Healthy Child Development
Champions for Children Business Award
Nomination Form**

Nominations can be made for any Prince Edward Island business that promotes child and family friendly environments; supports best practices for work and family balance; or supports community programs that benefit children up to age 8. One business award is presented annually.

Name of business being nominated:		
Address		
Province		Postal Code

Describe how this nominee is a Champion for Children.

In a maximum of three pages, tell us about the nominee's contribution to healthy child development on PEI by responding to each of the following questions:

- How has the nominee demonstrated support, encouragement and sensitivity to the needs of young children and their families?
- How has the nominee encouraged parent, family or community involvement?
- How has the nominee been innovative and creative in addressing concerns?
- How has the nominee developed partnerships and motivated others?

Please provide specific examples for each question.
