If no, please indicate why the equipment is required for on-farm food safety (OFFS) or traceability implementation.

Audit Assistance

Is this the first certification audit for this food safety program? Yes No N/A

Note: The maximum cost-shared contribution per farm unit, per commodity, over the four-year term of this program is \$2,500 in total for eligible on-farm food safety items and \$2,500 in total for eligible traceability items.

Declaration and Signature

I/We understand that:

A) Completed applications for this program must be received by the Department of Agriculture before funds will be allocated for eligible equipment. Expenses incurred prior to that date will not be eligible for reimbursement.

B) For items that are not on the eligible equipment list, producers shall consult with the Program Contact to determine whether or not the items qualify for funding before purchase. Without this determination, purchased items may not qualify for funding.

C) Original invoices and proof of payment (ie. canceled cheques, debit/credit card receipts or official receipts) must be accompanied with the claim form in order to receive funding.

D) Funding will be made available from April 1st to March 31st of the fiscal year in which the application is received or until funding is allocated for that year, whichever comes first.

E) Applicants are required to purchase the equipment and/or complete the first certification audit within four months of the date of approval. **(Please note: For those applying after December 1st, the final day for submission of claim with receipts is March 31st).**

F) If requested, applicants must participate in an evaluation and/or audit of the program.

G) The first certification audit assistance applies only to the initial audit of a food safety program.

I have read and agree to the Terms and Conditions provided in this application and declare that the information is to the best of my knowledge and ability, true and correct.
