### Instructors:

- Ebo Budu-Amoako, Ph.D., Senior Microbiologist
- Jim Landrigan, P.Eng., M.B.A., Technical Advisor

Ebo is an internationally recognized food microbiologist having worked with international organizations in world-level consulting assignments. He has developed and delivered Food Safety training in Canada and internationally for the past fifteen years. During this time Ebo has also developed and implemented systems for food inspection and HACCP systems in various Caribbean countries.

As well as providing numerous training workshops on food safety and quality systems for BIO|FOOD|TECH clients during the last ten years, Jim has implemented several Food Safety (HACCP) and Quality Management (ISO 9000) programs for small to medium sized food processors. He has also developed and delivered national food safety and quality training programs for one of the largest management consulting groups in Canada. Jim was also a Sessional Instructor at Holland College and taught Strategic Crisis Management and Management of a Diverse Workforce courses in the Applied Degree in Culinary Operations program.
