Food Industry Supplier Showcase

CIFST ATLANTIC ICSTA
SUPPLIER | SHOWCASE
SALON DES FOURNISSEURS
MAY 10 | MONCTON, NB

CIFST – Atlantic Section is pleased to announce its first Supplier Showcase on **Thursday, May 10, 2018**, at the **Crowne Plaza** in **Moncton, NB**. Co-sponsored by BioFoodTech, the Showcase will be an exceptional opportunity for learning about new companies, products and services, that supply the food industry, while networking with other food scientists, R&D technologists, purchasers and management from leading food and beverage companies within Atlantic Canada. A Keynote speaker will kick off the event at 1 pm.

DETAILS: Date: May 10, 2018

Location: [Crowne Plaza](#), Moncton, NB

Time: 1 -4 pm

Cost: Attendees (walking the show) - **Free**

Cost: Exhibitors - \$250 (until April 9) \$300 (after April 9)

Click: [CIFST Atlantic](#) for details & registration

It's Survey Time - Tell us What Workshops You're Interested In!

BioFoodTech is developing **NEW Artisan, Technical & Industry Workshops** and we need your input!

BioFoodTech is committed to supporting learning and skill-building opportunities for Atlantic Canada's food entrepreneurs and industry professionals through artisan workshops, technical, food safety, and industry training sessions.

We wish to gauge interest in potential topics so that we can deliver the most in-demand workshops and training sessions and offer content that is best suited to those interested in attending.

Please take a few moments to complete the survey(s) below. It will help us tremendously in designing and delivering workshops that best suit your needs. Each survey should take no more than 7 to 10 minutes to complete, and your name will be entered into a draw for \$50 off a future workshop.

Interested in **Artisan Workshops** (distilling, cheese-making, bread-making, fermented foods...)?

PEI Science Fair Winners

The **PEI Science Fair** was held recently and BioFoodTech participated in judging a number of food related projects.

We are thrilled to announce the winners of the BioFoodTech prizes:

- **Neleash Lavoie**, Gulf-Shore Consolidated (Gr 9): ***Cost-Effective Extraction of Chitin and Chitosan from Lobster Shells.***
- **Jannah McCallum**, West Royalty Elementary (Gr 6): ***Does Cinnamon Protect Carrots? Getting to the Root of the Matter.***
- **Noah Luddington & Cody Atkinson**, Summerside Int. (Gr 7): ***Can Milk Turn to Plastic?***
- **Alivia Johnston**, Greenfield Elementary (Gr 5): ***Can We Prevent an Apple From Turning Brown?***

BioFoodTech congratulates these winners and all of the hard working students who participated in science fairs across PEI this year.
