CHAPTER R-15
ROADS ACT
HIGHWAY ACCESS REGULATIONS

Pursuant to subsection 29(1) of the Roads Act R.S.P.E.I. 1988, Cap. R-15, Council made the following regulations:

PART I - GENERAL

1. (1) In these regulations:

(a) “change of use” means, in respect of a parcel of land, the change in use of the parcel of land from one use to another, but does not include
   (i) the expansion of a permanent year round single family residence or the placement of a garden suite as defined in the Planning Act Regulations (EC601/77);
   (ii) the change in use of a parcel of land from an existing commercial operation or an existing industrial operation to residential usage where the number of average weekday vehicle trips would be less than the average weekday vehicle trips associated with the existing operation;
   (iii) non-residential expansion of a farm where, after the subject expansion, the parcel of land would continue to be a farm; or
   (iv) a home occupation;

(b) “commercial operation” means any activity involving the display or sale of goods and services or the use of a parcel of land for any of the following: financial services and financial institutions, business offices and other offices, studios, theatres, restaurants and clubs, health and recreation centres and facilities;

(c) “cultivation of a natural resource” means sowing, planting, stocking, cultivation and harvesting of a primary agricultural, forestry or fishery resource and specifically excludes any form of processing or construction of any building;

(d) “existing” with respect to any highway or part thereof, means existing at the time these regulations come into force;

(e) “existing parcel of land” means any parcel of land existing as one parcel and not subdivided, at the time these regulations come into force but where a parcel of land is divided by a highway it shall be considered as two separate parcels;
“farm” means arable land and complimentary buildings of more than 50 acres in total, utilized for the purpose of sowing, cultivation and harvesting of crops, rearing of livestock or production of raw dairy products;

“farm corporation” means a corporation
(i) which is primarily engaged in the business of agriculture, and
(ii) of which not less than 75 per cent of all issued and voting shares are beneficially owned by farmers;

“farmer” means a person who owns or leases land and operates a farm or owns shares in a farm corporation that operates a farm, and who
(i) spends more than 50 per cent of his working time on the farm, and
(ii) receives annually more gross cash income from the sale of farm products than from wages received for work performed off the farm;

“farm dwelling” means a single family year-round residential dwelling that is located on a farm or on a lot that has been subdivided from an existing farm, and is owned and occupied by a principal owner of the farm, a person whose primary occupation is to work upon the farm or a parent, son or daughter of a principal owner of the farm;

“home occupation” means a business within a single family residential dwelling where at least fifty percent (50%) of the employees live within the dwelling on a permanent basis, the total area occupied by the business is no more than the greater of twenty-five percent (25%) of the total floor area of the dwelling or sixty-five square metres (65 m²) and the business would be consistent with any applicable zoning regulations or bylaws;

“industrial operation” means any activity for the storage, distribution, processing, assembly or recycling of wholesale products, goods or materials or for activities relating to transportation, manufacture, construction, warehousing, assembly or general repair, but does not include a farm;

“institutional operation” means any activity for senior citizen housing, nursing homes, hospitals, clinics, religious institutions, churches, public and private schools, colleges, cultural centres, libraries and public recreational facilities and parks;

“lower class of highway” means a collector highway or a paved local highway;
(n) “Minister” means the Minister of Transportation and Public Works;

(n.1) “right-of-way control sign” means a stop or yield sign which indicates the right-of-way of vehicle drivers on the approach to an intersection;

(n.2) “scenic heritage road” means a public road designated as a scenic heritage road under section 16.1, and includes the verge, ditch and land within the road boundary;

(o) “subdivision street” means a street constructed or paid for by a developer, on land which has been conveyed to the Province of Prince Edward Island and accepted as a highway by the Minister, for the purpose of establishing a subdivision.

(2) For the avoidance of doubt, subsection (1)(b), (1)(k) and (1)(l) include activities that are like or similar in character to commercial, industrial or institutional respectively as therein defined. (EC580/95; 472/96; 418/97; 463/01; 209/07)

2. These regulations do not apply to any highway or portion thereof designated as a controlled access highway pursuant to section 27 of the Roads Act, R.S.P.E.I. 1988, Cap. R-15. (EC580/95)

3. No person shall construct or cause a change of use of an entrance way opening onto an arterial highway, limited access arterial highway or a seasonal highway without first having obtained an entrance way permit from the Minister. (EC580/95; 463/01)

4. Notwithstanding any other provision of these regulations, no entrance way permit shall be issued, no entrance way shall be established and there shall be no change of use of an existing entrance way:

   (a) if the location of the entrance way would not meet the safe stopping sight distance requirements set out in Schedule G for any purpose other than the establishment of one entrance way to an existing parcel of land created prior to February 3, 1979,
      (i) for single family dwelling use, or
      (ii) for the purpose of cultivation of a natural resource, subject to the entrance way being located in the safest possible location;
   (b) if the location of the entrance way would be on a segment of highway having more than two (2) traffic lanes except for three-lane segments of highway where the third lane is an exclusive right-turn lane, and is outside of an area designated for infilling in Schedule “A-3” for any purpose other than:
(i) establishment of one entrance way to an existing parcel of land solely for the purpose of cultivation of a natural resource, provided that there is no existing entrance way to the parcel of land and no adjacent parcel of land is under the same ownership or control as the subject parcel of land,
(ii) establishment of one entrance way to an industrial operation where it has been determined by the Lieutenant Governor in Council that establishment of the industrial operation would be in the best interest of the province,
(iii) establishment of one entrance way to a proposed commercial development at an intersection of a highway having more than two traffic lanes, where
   (A) the additional lanes are exclusive turning lanes, and
   (B) the Lieutenant Governor in Council has determined that establishment of the commercial development would be in the best interest of the province, subject to the entrance way being restricted to either a right-turn into or right-turn out of the development only, depending on the exclusive use of the lane; or
(iv) change of use of an existing entrance way to allow for the construction of a farm dwelling on the same parcel where a farm with complementary buildings exists prior to November 14, 2005.

5. (1) A legally created existing entrance way from an existing parcel of land onto any highway may be continued and maintained, provided that there is no change of use of the parcel of land serviced by the entrance way.

2. Notwithstanding subsection (1) the Minister may remove and close an entrance way where a parcel of land has more entrance ways than would be permitted pursuant to these regulations. (EC580/95)

6. Any entrance way onto a highway for which there is no entrance way permit or which is not otherwise authorized under these regulations may be removed by the Minister. (EC580/95)

7. (1) An application for an entrance way permit shall be in a form prescribed by the Minister, accompanied by
   (a) a record of re-zoning or change of use approval, if applicable;
   (b) an application fee in the amount prescribed in Schedule “H”;
   (c) a property map, drawn to an appropriate scale, showing the entire parcel of land, the intended location of the subject entrance way, the location of any existing entrance ways and the location of existing and proposed buildings;
   (d) a copy of the deed of the property; and
(e) in the case of an application for expansion of a commercial operation, a detailed floor and site plan showing the existing and proposed use.

(2) Notwithstanding subsection (1), the Minister may request a traffic impact study or other material to aid in making a decision on any application for an entrance way permit and, where such a request is made, no entrance way permit may be issued until the Minister is satisfied that the material has been provided.

(3) An application for an entrance way permit shall be deemed to be received on the day the Minister’s decision, pertaining to the application, is communicated to the applicant. (EC580/95)

8. (1) An entrance way permit shall indicate
   (a) the approved use of the entrance way;
   (b) the width and location of the entrance way by reference to the distances between its edges and from one edge to the nearest boundary of the parcel of land; and
   (c) any other conditions imposed.

(2) The entrance way shall be constructed in accordance with the permit. (EC580/95)

9. (1) The fees of an entrance way permit for a new entrance way shall be not less than the amount prescribed in Schedule “H”.

   (2) Nothing herein limits or affects the right of the Minister to impose, charge and collect the costs, or any portion of the costs of any changes to a highway that are associated with the construction or change of use of an access or entrance way pursuant to section 30 of the Roads Act, in lieu of or in addition to fees imposed pursuant to subsection (1). (EC580/95; 463/01)

10. (1) No entrance way permit shall be valid unless it has been signed by the owner of the subject parcel of land to acknowledge any conditions imposed by the permit.

    (2) No entrance way permit shall be valid unless it has been registered with the Registrar of Deeds. (EC580/95)

11. Revoked by EC418/97.

12. (1) Where the Minister has discretion to issue an entrance way permit pursuant to these regulations, a decision of the Minister may be appealed to the Island Regulatory and Appeals Commission, by the applicant.
(2) For greater certainty, where the Minister makes a decision pursuant to section 4, there is no appeal to the Island Regulatory and Appeals Commission on any grounds other than an error in the determination of available safe stopping sight distance. (EC580/95)

PART II - HIGHWAY CLASSIFICATION

Arterial highways
13. (1) All highways or parts thereof described in Schedule “A-1” are designated as arterial highways.

Arterial Class II highways
(2) All highways or parts thereof described in Schedule “A-4” are designated as arterial Class II highways. (EC580/95; 449/99)

Collector highways
14. All highways or parts thereof described in Schedule “B” are designated as collector highways. (EC580/95)

Local highways
15. All paved highways or parts thereof, not otherwise designated as arterial highways or collector highways, including, but not limited to, those paved highways described in Schedules “C-1” and “C-2” and all unpaved highways, or parts thereof, described in Schedule “C-3” are designated as local highways. (EC580/95)

Seasonal highways
16. All unpaved highways or parts thereof described in Schedule “D” are designated as seasonal highways. (EC580/95)

Scenic heritage roads
16.1 All unpaved highways or parts thereof described in Schedule “E” are designated as scenic heritage roads. (EC209/07)

Non-essential highways
17. All unpaved highways or parts thereof not designated as local highways, scenic heritage roads or seasonal highways are designated as non-essential highways. (EC580/95; 209/07)

PART III - ARTERIAL HIGHWAYS

Application
18. (1) This Part applies to arterial highways.

No application to limited access arterial highways
(2) Notwithstanding subsection (1), this Part does not apply to any arterial highway or portion thereof that is designated as a limited access arterial highway. (EC580/95)

Closure
19. When a municipal council or the Minister of Community and Cultural Affairs gives permission for a change of use of an existing entrance way, for which no entrance way permit has been issued, the existing entrance way or entrance ways to the parcel shall be closed and shall not be reopened unless and until an entrance way permit has been issued by the Minister. (EC580/95; EC699/00)
20. (1) The Minister may issue an entrance way permit to authorize placement of a new entrance way or a change of use of an existing entrance way, to a portion of an arterial highway outside of an area that has been designated for infilling in Schedule “A-3”, except no entrance way permit shall be issued

(a) to establish a commercial operation, other than a home occupation, or an institutional operation on a parcel of land where there is no existing commercial operation or institutional operation respectively;

(b) to enable the change of use of an existing commercial operation from one type of commercial operation to another, but an existing commercial operation may expand

(i) to a maximum of 100 square metres, or

(ii) by 100% of the total of the existing floor and ground area occupied by the operation,

subject to such conditions relating to traffic safety as the Minister may determine and the recovery by the Minister of the costs associated with the construction, improvement or intensification of use of the access;

(c) to establish an industrial or commercial operation on a parcel of land where there is no existing industrial or commercial operation and it has not been determined by the Lieutenant Governor in Council that establishment of the industrial or commercial operation along an arterial highway is in the best interest of the province;

(c.1) to establish an institutional operation on a parcel of land where there is no existing institutional operation and it has not been determined by the Lieutenant Governor in Council that establishment of the institutional operation along an arterial highway that lies west of the intersection of Route 2 and Route 124 in Prince County, or east of the intersections of Route 1 and Route 3 or Route 2 and Route 6 in Queens County, is in the best interest of the province;

(d) to allow placement of a new entrance way where a parcel of land, created prior to the date that the adjacent arterial highway was designated as an arterial highway:

(i) that is not a farm, has one or more existing entrance ways;

(ii) that is a farm and does not include a farm dwelling, has one or more existing entrance ways; or

(iii) that is a farm and includes a farm dwelling, has two or more existing entrance ways;

(e) to provide an entrance way to a parcel of land created after March 22, 1992 or the date upon which the adjacent highway was designated as an arterial highway, whichever is later, other than to enable
8 Cap. R-15  
Roads Act  
Updated 2014
Highway Access Regulations

(i) the creation of a new farm;
(ii) the creation of a new parcel of land subdivided from a farm for the purpose of establishing one new single-family dwelling or the creation of a separate parcel of land that includes a single-family dwelling to allow the farmer to retain the dwelling and sell the remainder of the farm, provided that the existing entrance way to the farm is used for access to the new or separate parcel of land and any other entrance way to the new or separate parcel of land is removed, or
(iii) cultivation of a natural resource;

but where the existing parcel of land is served by more than one existing entrance way, no additional entrance way may be established to serve the new parcel of land; or

(f) to establish any change of use on a parcel of land created between February 3, 1979 and the coming into force of these regulations, where the adjacent segment of highway was designated as an “arterial” highway in regulations proclaimed under the Planning Act on February 3, 1979 and is continued as an arterial highway pursuant to these regulations, other than to enable
(i) the creation of a new farm;
(ii) the establishment of one (1) single family year-round residence, on a parcel of land where all required approvals would have been granted prior to the coming into force of these regulations and there has been no previous change of use since the parcel of land was created; or
(iii) cultivation of a natural resource.

(2) The Minister may issue an entrance way permit to authorize placement of a new entrance way or a change of use of an existing entrance way to a portion of an arterial highway, in an area that has been designated for infilling in Schedule “A-3”.

(3) The Minister may issue an entrance way permit authorizing a new entrance way or changing the use of an existing entrance way to a portion of arterial highway for the purpose of allowing access to an excavation pit.

(4) An entrance way permit issued pursuant to subsection (3)
(a) shall only be valid for one 30-day period in a calendar year as specified on the permit; and
(b) shall not be valid during the months of July and August, except in the case of excavation pits used for Highway Capital Construction Projects. (EC580/95; 367/97; 418/97; 595/99; 167/09)

21. Notwithstanding any other provision of this Part, where a parcel of land is adjacent to an arterial highway and a lower class of highway, the
Minister may determine that no entrance way permit shall be issued to allow access to the arterial highway. (EC580/95)

PART III.1 - ARTERIAL CLASS II HIGHWAYS

21.1 (1) This Part applies to arterial Class II highways as described in Schedule “A-4”.

(2) Notwithstanding subsection (1), this Part does not apply to any highway or portion thereof that is designated as a limited access arterial highway pursuant to Part IV of these regulations. (EC449/99)

21.2 Where a municipality or the Minister of Community and Cultural Affairs gives permission for a change of use of an existing entrance way, for which no entrance way permit has been issued, the existing entrance way or entrance ways to the parcel of land shall be closed and shall not be reopened until an entrance way permit has been issued by the Minister. (EC449/99; EC699/00)

21.3 (1) Subject to section 21.4, the Minister may issue an entrance way permit to authorize placement of a new entrance way to a portion of an arterial Class II highway for the purposes of:

(a) the establishment of a single family dwelling, commercial operation or a home occupation on an existing parcel of land where there is not an existing commercial operation;
(b) enabling a change of use from one type of commercial operation to another;
(c) enabling the creation of not more than one new parcel of land, subdivided from an existing parcel of land for the establishment of a new commercial operation or home occupation; or
(d) enabling the creation of a summer cottage subdivision.

(1.1) No entrance way permit shall be issued under subsection (1) to authorize the placement of a new entrance way to a portion of an arterial Class II highway for the purpose of enabling the creation of a summer cottage subdivision where the property to be subdivided is adjacent to:

(a) a lower class of highway; or
(b) a private road of an approved cottage subdivision or subdivisions, when a right-of-way over that private road has been granted to the summer cottage lot owners on connecting properties that would include the lot owners of the proposed summer cottage subdivision.

(2) Notwithstanding any other provision of these regulations, no entrance way permit shall be issued under subsection (1) to enable the creation of a summer cottage subdivision if the location of the entrance
way would be on a segment of highway having more than two traffic lanes, unless the location of the entrance way is at a segment of highway that has three lanes and
(a) the location is on the same side of the highway with two lanes travelling in the same direction; and
(b) one of the two lanes is an exclusive right-turn lane and is outside of an area designated for infilling in Schedule A-3.

(3) A permit issued pursuant to subsection (1) may be subject to
(a) such conditions respecting traffic safety as the Minister may deem necessary; and
(b) the recovery by the Minister of the costs associated with the construction or improvement of the access. (EC449/99; 627/05)

21.4 (1) The Minister may issue an entrance way permit for a portion of an arterial Class II highway if the entrance way meets the criteria for a permit issued pursuant to Part III.

(2) Notwithstanding any other provision in this Part, a permit issued under subsection (1) for the entrance way to a commercial operation or a home occupation on an arterial Class II highway
(a) shall permit full access where the entrance way is located
   (i) on a three-lane section of the highway, and
   (ii) on the side of the highway that has two lanes travelling in the same direction; or
(b) shall be restricted to a right lane only for ingress and egress where
   (i) the entrance way is located on a four-lane section of a highway, or
   (ii) the entrance way is located
      (A) on a three-lane section of a highway, and
      (B) on the side of the highway that does not have two lanes travelling in the same direction.

(3) Notwithstanding any other provision of this Part, if an entrance way for single family dwelling use only is on a segment of arterial Class II highway having more than two lanes, full access may be permitted. (EC449/99; 627/05)

PART IV - LIMITED ACCESS ARTERIAL HIGHWAYS

22. This Part applies to arterial highways or parts thereof that are designated as limited access arterial highways. (EC580/95)

23. The arterial highways or parts thereof described in Schedule “A-2” are designated as limited access arterial highways. (EC580/95)
24. No entrance way permit shall be issued for the construction of an entrance way opening onto a limited access arterial highway, unless
   (a) the application for the entrance way permit is in respect of the relocation of an existing entrance way; and
   (b) the Minister has determined that the issuance of the entrance way permit would be in the best interest of the province. (EC463/01)

25. No person shall cause a change of use of a parcel of land having access onto a limited access arterial highway. (EC580/95)

26. All legally created entrance ways onto a limited access arterial highway may be continued and maintained, provided there is no change of use of the parcel of land serviced by the entrance way. (EC580/95)

27. Where a municipal council or the Minister of Community and Cultural Affairs gives permission for the change of use of a parcel of land, any entrance way onto a limited access arterial highway shall be closed and the Minister shall take such steps as are reasonable to prevent further use of the entrance way. (EC580/95; EC699/00)

PART V - COLLECTOR HIGHWAYS

28. This Part applies to collector highways. (EC580/95)

29. (1) The Minister may authorize placement of a new entrance way to a collector highway or the change of use of an existing entrance way to a collector highway.
   
   (2) The Minister may authorize the placement of a new entrance way to a collector highway, or the change of use of an existing entrance way to a portion of a collector highway, in an area that has been designated for infilling in Schedule B-2. (EC580/95; 373/05)

PART VI - LOCAL HIGHWAYS

30. This Part applies to local highways. (EC580/95)

31. The Minister may authorize placement of a new entrance way to a local highway or the change of use of an existing entrance way along a local highway. (EC580/95)

PART VII - SEASONAL HIGHWAYS

32. This Part applies to seasonal highways. (EC580/95)
33. The Minister may issue an entrance way permit to authorize placement of a new entrance way to a seasonal highway or to change the use of an existing entrance way along a seasonal highway. (EC580/95)

34. (1) Issuance of an entrance way permit pursuant to this Part shall not change the designation of a seasonal highway.

(2) An entrance way permit issued pursuant to this Part shall indicate that the entrance way is to a seasonal highway. (EC580/95)

PART VIII - NON-ESSENTIAL HIGHWAYS

35. This Part applies to non-essential highways. (EC580/95)

36. The Minister shall not issue an entrance way permit to authorize placement of a new entrance way or a change of use of an existing entrance way to a non-essential highway. (EC580/95)

PART IX – SCENIC HERITAGE ROADS

37. (1) Subject to subsection (2), no person shall place a new entrance way or change the use of an entrance way to a scenic heritage road.

(2) The Minister, in exceptional circumstances and on the application of a person with an interest, may issue a permit to the applicant in respect of a scenic heritage road, for the placement of a new entrance way or to change the use of an existing entrance way to a scenic heritage road, if

(a) the new entrance way or change of use of an existing entrance way is for a temporary period not exceeding six months;

(b) the new entrance way would be the only means of access to the property; or

(c) the Minister determines that it is appropriate to issue a permit based on circumstances specific to the site of the entrance way.

(3) Where the Minister issues a permit under subsection (2), the Minister shall place conditions on the permit in respect of

(a) expiry of the permit; and

(b) restoration activities at the entrance way site to be carried out on or before the expiry of the permit.

38. (1) Subject to subsection (2), no person shall grant an easement for any public or private utility to have access to a scenic heritage road for the purpose of placing any utilities on or along the highway right-of-way.

(2) The Minister may approve the granting of an easement by an owner to provide for access to a scenic heritage road for the subsurface placement of utilities.
(3) Any person who, without the written permission of the Minister, commits an offence and is liable on summary conviction to a fine not exceeding one thousand dollars and, in default of payment thereof, to imprisonment of a term not exceeding ten days. (EC580/95; 209/07)
SCHEDULE A-1
