- (b) to promote a harmonious professional relationship between architects and engineers;
- (c) to develop joint rules of practice governing the responsibilities of architects and engineers; and
- (d) to resolve complaints regarding professional activities pursuant to the respective Acts. 1992, c.6, s.1.

PART II REGISTRATION AND LICENSING

Designation as architect

9. (1) Except as otherwise provided in this Act or in the bylaws, only members or licensees, or persons holding a certificate of practice shall be entitled within Prince Edward Island to take or use the title “architect” or any like word, initials or expression.

References to architect

(2) The words “architect”, “duly qualified architect”, “qualified architect” or any like words or expressions used alone or in combination with other words or expressions connoting a person recognized by law as an architect entitled to carry on the practice of architecture or connoting a member of the Association, when used in any provision of an Act of the Legislature or any regulation, rule, order or bylaw made under an Act of the Legislature enacted or made before or after the enactment of this Act or when used in any public document, shall be read as including a member or licensee of the Association or a person authorized to practise architecture under the provisions of this Act. 1990, c.4, s.9.

Registration

10. (1) Upon the approval of the Council and upon payment of the prescribed fees, the Registrar shall issue a certificate of registration as a member to any person entitled thereto in accordance with this Act or the bylaws.

Form of certificate

(2) A certificate of registration shall be issued in the prescribed form and in the prescribed manner by bylaw and shall be signed by the

Registrar or any other officer authorized by bylaw and bear the seal of the Association.

(3) The Council may refuse to issue a certificate of registration unless the applicant has completed the prescribed application forms, fulfilled the requirements of the bylaws respecting applications for membership and paid the prescribed fee. 1990, c.4, s.10. Refusal

11. (1) The Council may, on application, issue to any person who is a member in good standing of an association of architects recognized by the Council, a license to practise architecture in Prince Edward Island in accordance with this Act and the bylaws. Licensing

(2) A license to practise architecture in Prince Edward Island shall be issued in such form, and for such period and upon such terms and conditions as this Act or the bylaws may authorize or permit, and shall be signed by the Registrar and bear the seal of the Association. Form and conditions of license

(3) The Council shall refuse to issue a license unless the applicant has completed the prescribed application forms, fulfilled the requirements of the bylaws respecting applications for a license and paid the prescribed fee. 1990, c.4, s.11. Refusal

12. (1) The Registrar shall maintain a register of members, a register of licensees, and a register of approved proprietorships, partnerships and corporations holding certificates of practice. Registers

(2) A certificate purporting to be signed by the Registrar stating that any person named therein was or was not, on a specified day or during a specified period, a member or licensee of the Association constitutes proof in any court of that fact without proof of the authenticity of such signature. Evidence

(3) A certificate purporting to be signed by the Registrar stating that an architect, proprietorship, partnership or corporation named therein was or was not, on a specified day or during a specified period, the holder of a valid certificate of practice issued pursuant to this Act or the bylaws, constitutes proof in any court of that fact without proof of the authenticity of such signature. 1990, c.4, s.12. *Idem*

13. (1) A member or licensee may practise architecture as an individual in his own name as long as he complies with this Act and the bylaws and holds a valid certificate of practice. Practice

(2) Any member who is an employee of the Government of Prince Edward Island or Canada, including the Armed Forces, or an employee of a Crown Corporation of Prince Edward Island or Canada, or an Government employment

employee of a Prince Edward Island public utility, and who by such service is required to practise as an architect in Prince Edward Island, may so practise with respect to work directly related to his employment or service without holding a valid certificate of practice.

Non-resident,
government
employment

(3) Any non-resident of Prince Edward Island who is an employee of the Government of Canada, including the Armed Forces, and who by such service is required to practise as an architect in Prince Edward Island, may so practise with respect to work directly related to his employment or service without holding a license or a certificate of practice and without payment of any fee if he is a member of an association of architects of another province in Canada having an Act of incorporation similar to that of the Association and is authorized to practise architecture in such province. 1990, c.4, s.13.

Corporate, etc.,
practice

14. (1) A proprietorship, partnership or corporation shall not be granted membership in or be a licensee of the Association.

Proprietorship

(2) Members or licensees may practise architecture in a name other than their own and conduct their business as a proprietorship if

- (a) one of the principal and customary functions of the proprietorship is the practice of architecture;
- (b) the practice of architecture is carried out under the responsibility and supervision of the principal of the proprietorship who is an architect; and
- (c) the proprietorship holds a valid certificate of practice.

Partnership

(3) Members or licensees may practise architecture in a name other than their own and conduct their business as a partnership with other members, licensees or other individuals, or with corporations meeting the requirements of clauses (4)(a) and (c) if

- (a) at least one of the individual partners is an architect having an interest in the partnership of not less than that of any other individual or corporate partner;
- (b) one of the principal and customary functions of the partnership is the practice of architecture;
- (c) the practice of architecture is carried out under the responsibility and supervision of an architect who is a partner, or an officer or director of a corporate partner; and
- (d) the partnership holds a valid certificate of practice.

Corporation

(4) A corporation may practise architecture in its own name or in partnership with a member, licensee or other corporation if

- (a) one of the principal and customary functions of the corporation or of each corporate partner is the practice of architecture;

(b) the practice of architecture is carried out under the responsibility and supervision of a director, officer or employee of the corporation or partnership who is an architect;

(c) at least one of the directors of the corporation or each corporate partner is an architect and is the beneficial and registered owner of no fewer of each class of voting shares in the corporation than the number of such shares held by any other shareholder or director; and

(d) the corporation holds a valid certificate of practice.

(5) Any non-resident proprietorship, partnership or corporation applying for a certificate of practice to practise architecture in Prince Edward Island shall satisfy the Council that

Non-resident corporations, etc.

(a) at least two-thirds of the partners, principals or directors of the partnership or corporation as the case may be are architects; and

(b) not less than a majority of the issued shares of each class of voting shares of the corporation are beneficially owned by and registered in the name of architects.

(6) Any member, licensee, proprietorship, partnership or corporation holding a valid certificate of practice may practise architecture in Prince Edward Island as part of a more comprehensive service which may include construction, engineering, landscaping, surveying, soil testing and analysis, construction inspection, management, finance and computer programming of building construction and operation if the practice of architecture within such comprehensive service is performed under the responsibility and supervision of an architect.

Practice of architecture incidental to comprehensive services

(7) Any member, licensee, proprietorship, partnership or corporation entitled to practise architecture in Prince Edward Island who practises architecture as part of a more comprehensive service referred to in subsection (6) shall immediately advise the Association in writing of the name under which the architectural services are being offered, the terms of the arrangement under which the services are being offered and the individuals, proprietorships, partnerships, persons, firms or corporations with whom the more comprehensive service is being offered. 1990, c.4, s.14.

Notice to Association

15. (1) The Council shall approve an application for a certificate of practice to practise architecture in Prince Edward Island if it is satisfied that the member, licensee, proprietorship, partnership or corporation applying for a certificate has fulfilled all of the requirements of this Act and the bylaws.

Certificate of practice

(2) The Registrar, upon the approval of Council, shall issue a certificate of practice to practise architecture in Prince Edward Island in the prescribed form and signed in the prescribed manner by bylaw.

Form of certificate

| | |
|-------------------------|--|
| Validity of certificate | (3) A certificate of practice is no longer valid and becomes void when the member, licensee, proprietorship, partnership or corporation to which it was issued undergoes any changes which would result in the member, licensee, proprietorship, partnership or corporation being ineligible to receive a certificate of practice under the provisions of this Act or the bylaws. 1990, c.4, s.15. |
| Stamps | 16. (1) The Council shall issue to every member or licensee who holds a certificate of practice a stamp of a prescribed design. |
| Design of stamp | (2) The Council shall issue to every proprietorship, partnership or corporation which holds a certificate of practice a stamp of a prescribed design. |
| Use of stamp | (3) Every member or licensee practising architecture in Prince Edward Island in his own name shall sign and affix his stamp to all final designs or construction documents which have been prepared by such person or under the supervision of such person. |
| <i>Idem</i> | (4) Every proprietorship, partnership or corporation practising architecture in Prince Edward Island shall affix its stamp to all designs which have been prepared by the proprietorship, partnership or corporation, and have such designs signed by a member or licensee of the Association designated on the certificate of practice. |
| Failure to affix stamp | (5) Every person authorized to practise architecture under this Act who fails to sign and affix their stamp to a final design or construction document, as required by this section, is guilty of professional misconduct. 1990, c.4, s.16. |

PART III DISCIPLINE

| | |
|------------------------|--|
| Complaints | 17. (1) In this Part |
| complaint | (a) “complaint” means any complaint in writing and signed by the complainant regarding the conduct, actions, competence, character, fitness, health or ability of an architect; |
| architect | (b) “architect” includes members, licensees, former members and former licensees. |
| Functions of Registrar | (2) All complaints against an architect shall be in writing and delivered to the Registrar, who shall forthwith <ul style="list-style-type: none"> (a) notify the architect of the complaint in accordance with section 35; (b) include with the notification a copy of the complaint; and |

(c) invite the architect to respond in writing to the Registrar regarding the complaint.

(3) Within sixty days from the date on which the Registrar received the complaint, the Registrar shall, in an informal manner, consider and investigate the complaint and, upon the completion of such investigation as he considers necessary, the Registrar may make recommendations to the complainant and the architect in question as to how the complaint may be resolved and, in any event, shall report to the Council respecting his investigation and send a copy of the report to the architect, against whom the complaint was made.

Investigation and report

(4) The Council may after considering the report of the Registrar on his investigation of the complaint

Powers of Council

- (a) conduct an investigation pursuant to section 18;
- (b) appoint a committee of inquiry consisting of a chairman, two members of the Association who are not members of the Council, and a lay person, to deal with the complaint by means of a disciplinary hearing pursuant to the procedure set out in this Act and the bylaws; or
- (c) take no further action with respect to the complaint.

(5) A complaint under this section may be instituted by the Council.

Institution by Council

18. (1) If the Council in its absolute discretion at any time after the receipt or institution of a complaint considers it necessary or advisable, it may without a hearing, require the architect in respect of whom a complaint is made to submit to a physical or mental health examination by such qualified medical practitioner as the Council may designate, and if the architect fails to submit to any such examination, the Council may, without further notice, revoke or suspend the architect's certificate of practice, membership or license until he does so.

Examination, health

(2) If the Council at any time after the receipt or institution of a complaint considers it necessary or advisable, it may without a hearing, require the architect in respect of whom a complaint is made to undergo such examinations as the Council may designate in order to determine whether the architect has adequate skill and knowledge to practise architecture, and if the architect fails to undergo any such examination, the Council may, without further notice, revoke or suspend the architect's certificate of practice, membership or license until he does so.

Examination, skill and competence

(3) If the Council at any time after the receipt or institution of a complaint considers it necessary or advisable, it may without a hearing, require any architect to produce records and documents in his possession

Examination, records

or custody or control of any corporation of which he is a director, officer or shareholder, or of any partnership of which he is a member, and if the architect fails to produce such records and documents the Council may without further notice revoke the architect's certificate of practice and, if applicable, revoke or suspend the architect's membership or license until he does so, unless the architect is by law prohibited from producing such records and documents.

Examination, audit

(4) If the Council at any time after the receipt or institution of a complaint considers it necessary or advisable, it may without a hearing, require any member, licensee, proprietorship, partnership or corporation to which a certificate of practice has been issued, to submit to an audit or other examination of its business, books and records by such person as the Council may designate, and if the member, licensee, proprietorship, partnership or corporation fails to submit to such audit or examination, the Council may, without further notice, revoke or suspend the certificate or practice, membership, or license of the member, licensee, proprietorship, partnership or corporation, until he or it so submits. 1990, c.4, s.18.

Committee of inquiry

19. Where a complaint is referred to it by the Council, the committee of inquiry shall

- (a) consider and investigate written complaints regarding the actions or conduct of any architect;
 - (b) consider and investigate written complaints that an architect may be an incapacitated or unfit architect; and
 - (c) perform such other duties as may be assigned to it by council.
- 1990, c.4, s.19.

Procedure

20. (1) A committee of inquiry may establish the rules under which the inquiry is to be held, and may do all things necessary to provide a full and proper inquiry.

Notice of hearing

(2) Where a committee of inquiry is established for the purpose of a disciplinary hearing, the architect concerned and any person whose complaint has given rise to the inquiry shall be entitled to at least fourteen days notice of the hearing.

Representation at inquiry

(3) The following have the right to be represented by counsel at an inquiry by a committee of inquiry:

- (a) the committee of inquiry;
- (b) the architect against whom the complaint was made; and
- (c) the person whose complaint has given rise to the inquiry.

Testimony

(4) The testimony of witnesses shall be taken under oath or affirmation given by the chairman of the committee, and there shall be a full right to

examine, cross-examine and re-examine witnesses, in accordance with such rules of procedure as may be established by the committee.

(5) Upon the application of

- (a) any party to the inquiry;
- (b) the chairman of the committee; or
- (c) the counsel for the committee,

Subpoenas

the Registrar may issue subpoenas for the purposes of procuring the attendance and evidence of witnesses before the committee.

(6) A subpoena which is issued pursuant to this section shall be equally enforceable and shall have equal effect as if issued pursuant to the rules of court, and the rules of court with respect to the attendance of witnesses shall apply to a subpoena issued pursuant to this section.

Enforcement of subpoenas

(7) The rules of evidence in an inquiry shall be the same as in civil proceedings in the Supreme Court, but the committee may adopt alternative procedures which in its opinion are appropriate to the circumstances of the inquiry, having regard to the principles of fair hearing and natural justice.

Rules of evidence

(8) The committee shall have the proceedings and the evidence recorded by a sound recording machine, and transcribed and certified by a stenographer.

Transcripts

(9) It is the duty of the architect against whom the complaint has been made to appear at the inquiry, but in the event of non-attendance by that architect, the committee, upon proof by an affidavit of the service of notice required under subsection (2), may proceed with the inquiry, and without further notice to the architect, make a report of its findings and take such other action as it is authorized to take under this Act.

Non-attendance

(10) Hearings under this Part shall be held in private, but if the architect being investigated requests otherwise by a notice in writing delivered to the Registrar before the day fixed for the hearing, the committee of inquiry may conduct the hearing in public or otherwise as it sees fit.

Hearing in private

(11) The committee of inquiry may adjourn any hearing to such time and place, and upon such terms, as it considers appropriate.

Adjournment

(12) Notwithstanding the death, disability or inability for any reason of a member of a committee of inquiry to act or continue to act with respect to a hearing in progress, such hearing may continue with the remaining two members whose decision shall constitute and be for all purposes a decision of the committee of inquiry, or if the taking of evidence has not commenced at the time when such member of the committee dies or

Disability, etc. of member of committee

becomes disabled or unable to continue to act, the Council may appoint another member to take the place of that member or reconstitute the committee of inquiry. 1990, c.4, s.20; 1997, c.20, s.3.
