123. The town, the mayor, any councillor and any officer or employee of the town acting under the authority of this Part are not liable for any loss or damage suffered by any person by reason of anything in good faith done or omitted to be done in the exercise or purported exercise of any powers or duties under the authority of this Part. 1994,c.6,s.123; 2012,c.28,s.1(11).

EXPROPRIATION

124. (1) The council may, in accordance with the provisions of this Part, expropriate any land, or any interest in land in the town that it may consider expedient for a public work or other public purpose, and, in particular

(a) for use as a public parking area;
(b) for use as a water line, sewer line or a combined sewer-water line area or for use as a well or well field;
(c) to provide sites for any public building or project;
(d) to provide sites for publicly assisted rental housing;
(e) for development or re-development.

(2) Clause 1(b) applies in respect of land within 24 kilometres of the town. 1994,c.6,s.124; 2000,c.4.1,s.17.

125. The expropriation of land or any interest in land shall be made only upon a resolution of the council at a regular meeting and upon a vote of two-thirds of the councillors and after notice of such resolution having been given at the last regular meeting of the council. 1994,c.6,s.125.

126. The resolution referred to in section 125, shall be entitled “Notice of Intention to Expropriate” and shall set forth
(a) a general description of the lands;
(b) the nature of the interest intended to be expropriated;
(c) an indication of the public work or other public purpose for which the interest is required;
(d) a statement that it is intended that the interest be expropriated by the town upon the registration and filing in the office of the Registrar of Deeds of a legal description of the said lands and a survey plan thereof. 1994,c.6,s.126.

127. After the passing of any resolution intending the expropriation of land or an interest in land, a person authorized by the council shall have the power to enter upon the land proposed to be expropriated and make a survey thereof. 1994,c.6,s.127.

(2) Where a resolution, survey plan or legal description registered pursuant to this section contains any omission, mis-statement or erroneous description, a corrected resolution, survey plan or legal description may be registered, which shall be deemed to relate back to the day the original resolution, survey plan or description was registered.

(3) A resolution registered under this section is not invalid by reason only that it does not set forth the nature of the interest intended to be expropriated and, in such case, the interest intended to be expropriated...
includes all the interest in the land to which the resolution relates. 1994,c.6,s.128.

129. Any land or interest in land expropriated in accordance with the provisions of this Part and upon becoming vested in the town pursuant to the operation of section 128, may be conveyed, leased, assigned or otherwise legally transferred by the town to any other person in order to better effect the intended purpose of the expropriation. 1994,c.6,s.129.

132. If the owner or any party interested in the land fails or refuses to accept the sum so offered, within twenty days of the receipt of the offer, or, if the owner or any party interested in the land is absent from the province or is under disability, or for any reason incapable in law of entering into an agreement regarding compensation money or executing the proper discharge therefor, or, if any doubt or dispute exists or arises whether as to the ownership of the land or as to the apportionment of the compensation money among the parties interested or having or asserting any claim or interest therein, then and in any and all such cases, the amount of the compensation money, the parties to whom the same shall be payable and the allotment and disposal thereof among the parties found to be entitled thereto, shall be determined by the Supreme Court upon proceedings to be instituted by the town for that purpose. 1994,c.6,s.132.
133. The proceedings shall be commenced by application to the Supreme Court to be signed by the mayor and chief administrative officer setting out

134. The application shall be deemed and taken to be the institution of suit against the persons named therein and shall request the court to determine the proper compensation money to be paid and to make findings as to the persons entitled to compensation and the allotment of the money among those entitled. 1994,c.6,s.134.

135. The application shall be dealt with in accordance with the rules of court and the court may determine any matters of procedure not otherwise provided for in the rules of court. 1994,c.6,s.135.

136. Upon final disposition of an application by the court the town shall be free and discharged from all claims, interests, rents, charges, annuities, liens, judgments, mortgages or any other encumbrance upon the land or property or other debts or claims whatsoever. 1994,c.6,s.136.

137. Where at any time before any compensation is paid in respect of land or an interest in land expropriated, the council determines that the land or interest in land is not or is no longer required by the town, it may by resolution, abandon the interest expropriated, a certified copy of such resolution shall thereupon be filed or registered in the office of the Registrar of Deeds and the abandoned land or interest in land shall thereupon vest in and revert to the respective owners of each part of the land or interest in land at the time of expropriation. 1994,c.6,s.137.

138. The town may acquire by purchase or otherwise any lands or areas within or outside the boundaries of the town, the acquisition of which the council considers to be of advantage to the town, and to hold, use, lease,
