(2) Except as provided in subsection (1), all actions against the city shall be commenced within six months next after the cause of action arises. 1994, c.59, s.46.

47. In no case unless for gross misfeasance shall the city or any person, by reason only of any bylaw of the city compelling removal of snow and ice from the sidewalks, be held liable for damages for any occurrence upon any streets, sidewalk, square or crossing, or other public place in the city, attributable to the existence of any condition of snow, ice, sleet or rainfall or to any action of frost or to any condition resulting from change of weather or season; and no undertaking, continuance, cessation or interruption by the city of any active or enforcing measures for general safety or convenience shall in any way prejudice the city's non-liability under this section. The city is not liable for any damage caused by a decision related to the system of inspections, examinations, evaluations and investigations including a decision relating to their frequency and the manner in which they are carried out. 1994, c.59, s.47.

48. In no case except for gross misfeasance shall the city be liable to the owners or occupiers of adjoining property for damages to the adjoining property occasioned by the grading, building up or cutting down of any street, land, alleyway or sidewalk. 1994, c.59, s.48.

48.1 (1) In this section, “sewer” includes any sanitary or storm sewer, or combination of sanitary or storm sewers, drain, ditch, or watercourse that is

(a) the property, in whole or in part, of the city; or
(b) located within the city.

(2) The city shall not be liable for loss or damage suffered by any person by reason of the discharge or overflow of water or effluent from a sewer, unless the discharge or overflow is shown to be directly due to the negligence of the city or one of its employees. 2000,c.23,s.7.

49. The city, the mayor, any councillor and any officer or employee of the city acting under the authority of this Act are not liable for any loss or damage suffered by any person by reason of anything in good faith done or omitted to be done in the exercise or purported exercise of any
powers or duties under the authority of this Act. 1994, c.59, s.49; 2012,c.28,s.2(4).

EXPROPRIATION

50. (1) The council may, in accordance with the provisions of this Act, expropriate any land, or any interest in land in the city that it may consider expedient for a public work or other public purpose, and, in particular

(a) for use as a public parking area;
(b) for use as a water line, sewer line or a combined sewer-water line area;
(c) to provide sites for any public building or project;
(d) to provide sites for publicly assisted rental housing;
(e) for development or re-development;
(f) for use as streets, drains, sewers and watercourses.

(2) Clause (1)(b) applies in respect of land within 24 kilometres of the city. 1994, c.59, s.50; 1995, c.38, s.3.

51. The expropriation of land or any interest in land shall be made only upon a resolution of the council at a regular meeting and upon a vote of two-thirds of the councillors and after notice of such resolution having been given at the last regular meeting of the council. 1994, c.59, s.51.

52. The resolution referred to in section 51, shall be entitled “Notice of Intention to Expropriate” and shall set forth

(a) a general description of the lands;
(b) the nature of the interest intended to be expropriated;
(c) an indication of the public work or other public purpose for which the interest is required;
(d) a statement that it is intended that the interest be expropriated by the city upon the registration and filing in the office of the Registrar of Deeds of a legal description of the said lands and a survey plan thereof. 1994, c.59, s.52.

53. After the passing of any resolution intending the expropriation of land or an interest in land, a person authorized by the council shall have the power to enter upon the land proposed to be expropriated and make a survey thereof. 1994, c.59, s.53.

54. (1) A certified copy of the resolution referred to in section 51, the survey plan and a legal description of the land, signed by a qualified land surveyor, the mayor and the chief administrative officer, with the corporate seal of the city affixed, shall be filed and registered in the office of the Registrar of Deeds and such land or interest in land, upon
the filing and registration of such resolution, plan and description, shall thereupon become vested in the city for the purposes set out in the resolution.

(2) Where a resolution, survey plan or legal description registered pursuant to this section contains any omission, mis-statement or erroneous description, a corrected resolution, survey plan or legal description may be registered, which shall be deemed to relate back to the day the original resolution, survey plan or description was registered.

(3) A resolution registered under this section is not invalid by reason only that it does not set forth the nature of the interest intended to be expropriated and, in such case, the interest intended to be expropriated includes all the interest in the land to which the resolution relates. 1994, c.59, s.54.

55. Any land or interest in land expropriated in accordance with the provisions of this Act and upon becoming vested in the city pursuant to the operation of section 54, may be conveyed, leased, assigned or otherwise legally transferred by the city to any other person in order to better effect the intended purpose of the expropriation. 1994, c.59, s.55.

56. All buildings, structures, or erections of all types on the land so expropriated may be removed and disposed of by the city and the proceeds thereof shall belong to the city. 1994, c.59, s.56.

57. If the city fails to arrive at an agreement with the owner of any land or interest in land expropriated as to the compensation to be paid by the city or if the owner or any parties interested in the land is or are under disability or incapable in law of entering into an agreement or is or are absent from the province, or if any doubt or dispute exists or arises either as to the ownership of the land or as to the apportionment of the compensation money among the parties interested or having or asserting any claim or interest therein, then and in any and all such cases, the council shall, by resolution, determine what amount the city considers it should pay for such land and the chief administrative officer shall mail by registered letter a copy of such resolution to the owners or other parties interested in the lands who are within the province and whose names and addresses are known to the chief administrative officer, offering such amount as stated in the resolution as compensation for the interest expropriated. 1994, c.59, s.57.

58. If the owner or any party interested in the land fails or refuses to accept the sum so offered, within twenty days of the receipt of the offer, or, if the owner or any party interested in the land is absent from the province or is under disability, or for any reason incapable in law of
entering into an agreement regarding compensation money or executing the proper discharge therefor, or, if any doubt or dispute exists or arises whether as to the ownership of the land or as to the apportionment of the compensation money among the parties interested or having or asserting any claim or interest therein, then and in any and all such cases, the amount of the compensation money, the parties to whom the same shall be payable and the allotment and disposal thereof among the parties found to be entitled thereto, shall be determined by the Supreme Court upon proceedings to be instituted by the city for that purpose. 1994, c.59, s.58.

59. The proceedings shall be commenced by application to the Supreme Court to be signed by the mayor and chief administrative officer setting out

(a) the resolution of the council for the expropriation of the land and the date thereof together with a description of the land and the date on which the resolution, survey plan and description were filed and registered in the office of the Registrar of Deeds;
(b) persons who at such date had any estate or interest in the land and the particulars of the estate or interest and any charge, lien or encumbrances to which it was subject, so far as is known;
(c) the resolution indicating the sum of money which the city is willing and ready to pay as the compensation for the land and the date thereof;
(d) any other facts material to the determination of the question involved in the proceeding and as set forth in the application. 1994, c.59, s.59.

60. The application shall be deemed and taken to be the institution of suit against the persons named therein and shall request the court to determine the proper compensation money to be paid and to make findings as to the persons entitled to compensation and the allotment of the money among those entitled. 1994, c.59, s.60.

61. The application shall be dealt with in accordance with the rules of court and the court may determine any matters of procedure not otherwise provided for in the rules of court. 1994, c.59, s.61.

62. Upon final disposition of an application by the court the city shall be free and discharged from all claims, interests, rents, charges, annuities, liens, judgments, mortgages or any other encumbrance upon the land or property or other debts or claims whatsoever. 1994, c.59, s.62.

63. Where at any time before any compensation is paid in respect of land or an interest in land expropriated, the council determines that the land or interest in land is not or is no longer required by the city, it may by
resolution, abandon the interest expropriated, a certified copy of such resolution shall thereupon be filed or registered in the office of the Registrar of Deeds and the abandoned land or interest in land shall thereupon vest in and revert to the respective owners of each part of the land or interest in land at the time of expropriation. 1994, c.59, s.63.

LAND ACQUISITION

64. The city may acquire by purchase or otherwise any lands or areas within or outside the boundaries of the city, the acquisition of which the council considers to be of advantage to the city, and to hold, use, lease, sell, encumber or otherwise dispose of the same in the discretion of the council. 1994, c.59, s.64.

STREETS

64.1 All public streets and all sewers, drains and ditches located within the boundaries of the city are vested in the city and the council shall have full control over them. 1995, c.38, s.4.

64.2 (1) The council shall have the supervision and general control over the laying out, opening, altering, building, improving, maintenance and repair of all streets in the city.

(2) No person shall, without the approval of the council,
(a) open or authorize the opening of any street; or
(b) permit the interconnection of a street or proposed street with another street.

(3) Prior to granting approval, the council shall ensure that all costs associated with such opening or interconnection are or will be paid for by the person benefitting therefrom or authorizing the opening or interconnection.

(4) The council may
(a) enter into agreements with a person respecting the construction of streets and the payment of costs related to such construction;
(b) make its approval subject to such conditions as it sees fit, including a condition requiring the conveyance of the street to the city.

(5) Where an access to a street has been requested by a person, and the cost thereof has been determined and made known to that person before the work is undertaken, the council may impose, charge, and collect the cost associated with the construction, improvement, or intensification of the use of any access to the person benefitting therefrom.
(6) Where the costs imposed are charged under subsection (5) and remain unpaid for a period of thirty days, the council may close or remove the access, and charge the cost of the closure or removal to the person benefitting from the access.

(7) Where the person to whom costs have been charged under subsection (5) are not paid, the council may commence a proceeding in the Supreme Court for the recovery of such costs and charges. 1995,c.38,s.4.

64.3 All streets laid out after the coming into force of this section shall be laid out at a minimum width of 50 feet. 1995, c.38, s.4.

64.4 (1) Where in the opinion of the council a street or any portion of a street is not required for use by the public, it may cause such street or portion thereof to be discontinued

(a) by recording in the registry office for Prince County a plan thereof together with a certificate to the effect that such street or portion thereof is discontinued; or

(b) by recording in the registry office a certificate to the effect that such street or portion thereof is discontinued, which certificate shall describe that street or portion thereof in relation to property owners, property lines and existing highways or roads with sufficient particularity to enable the identification of that street or portion thereof

and thereupon that street or portion thereof ceases to be a street.

(2) Where the discontinuance of a street or portion thereof would isolate any property from a highway or road or where buildings are located along the land abutting a highway or road, the council shall not cause such street or portion thereof to be discontinued unless in its opinion adequate access to a highway or road is provided.

64.5 (1) No person shall cause any obstruction or make any encroachment upon any street or obstruct or encroach upon any sewers, drains, ditches, watercourse or public easement upon or leading to, from or across any street.

(2) The council may remove any obstructions referred to in subsection (1) at the expense of the person causing or being responsible for the obstruction. 1995, c.38, s.4.
