The PEI Youth Talent Competition is proudly presented by the PEI Mutual Insurance Company and the PEI Association of Exhibitions.

With the ongoing generous support of the PEI Mutual Insurance Company, this program continues to give Island youth a chance to display their wonderful talent.

We would like to take this opportunity to offer our sincere thanks to PEI Mutual for their generosity and support.

Eligibility for Youth Talent Search

Contestants MUST be permanent residents of Prince Edward Island. Open to non-professional performers only, between the ages of 13 and 21 years. Each member of an act, whether performing as a soloist or as a member of a group, must be at least 13 years old and must not have reached their twenty-second birthday by the opening day of the current year's participating fairs.

For the purpose of the Youth Talent Search, a professional entertainer is:

- a. One who earns more than \$16,000 (after cost recovery) in earned entertainment dollars in a given year.
- b. One who is a union member, or
- c. One who has a "professional" agent or manager securing employment in the entertainment field, or
- d. One who sings or is the principal performer on any CD released for commercial distribution through contracts with recording companies paid to promote them. (This does NOT prohibit an entertainer from self-producing a CD for sale or distribution to friends and associates such as in church group activities or friendly retail outlets.)

Proof of age may be required.

Participants may enter in **one or two categories** at each of the PEI Youth Talent Search Competitions. If the contestant **enters in only one category** and wins the competition, he/she will move on to the Provincial Finals and are not eligible to continue competing. If a participant chooses to **enter two categories** in the same competition and wins with one act,, they are still eligible to compete at future competitions with the act that did not win.

To compete in future competitions, the contestant must register and compete in the same category, with the same members of the group or duet they originally competed with. Simple clarification: The winner cannot alter the group configuration in the second category act by changing dancers, singing partners, band members or the band name. The contestants must remain the same and enter in the same category. No exceptions. For example, a dancer competes as a solo and as part of a duet or group. If the solo dancer advances, the dancer can still compete as a part of the duet or group, but only with the same people originally in the second category.

A participant who has previously won the PEI Youth Talent Competition Finals is no longer eligible to compete in future PEI Youth Talent Competitions.
