PEI AQUACULTURE AND FISHERIES
RESEARCH INITIATIVE INC.
FINANCIAL STATEMENTS
MARCH 31, 2009
AUDITOR'S REPORT

To the Board of Directors of the
PEI Aquaculture and Fisheries Research Initiative Inc.

I have audited the balance sheet of the PEI Aquaculture and Fisheries Research Initiative Inc. as at March 31, 2009 and the statements of revenues, expenditures and surplus, and cash flows for the year then ended. These financial statements are the responsibility of the corporation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the corporation as at March 31, 2009 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

(The accompanying notes are an integral part of these financial statements.)
1. Operations

The PEI Aquaculture and Fisheries Research Initiative Inc. was incorporated on March 27, 1996 under Part 1 of the Companies Act. The main objective of the corporation is to provide funds for aquaculture, commercial fisheries and processing research in the Province.

2. Summary of Significant Accounting Policies

The financial statements of the corporation have been prepared in accordance with Canadian generally accepted accounting principles. The following is a summary of significant accounting policies used in the preparation of these financial statements.

Income and Expenses
Revenues and expenses are recorded using the accrual basis of accounting.

Use of Estimates
The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that effect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.

Provincial Administrative Expenses
Costs incurred by the Department of Fisheries, Aquaculture and Rural Development on behalf of the PEI Aquaculture and Fisheries Research Initiative Inc. in administering this fund are not reflected in these financial statements. These costs include salary and related employee benefits, office accommodations, directors' honoraria and miscellaneous administrative expenses.

Financial Instruments
Financial instruments are comprised of cash, short term investments, accounts receivable, and accrued liabilities. Due to their short-term nature, all the financial instruments are considered to be carried at amounts which approximate their fair value.

Financial Risk Management Objectives and Policies
The corporation's risk management policies are part of the overall management of the entity's operations. Management's direct involvement in day-to-day operations identifies risks and variations from expectations leading to changes in risk management activities, requirements and actions. Management has not entered into hedging transactions to manage risk. As part of the overall management of the entity's operations, management considers avoidance of undue concentrations of risk, and employs appropriate investment and credit management policies to manage the corporation's exposure.
3. Commitments

In addition to the accrued liability, the corporation has approved three research projects providing the following future commitments:

- 2009-10: $83,080
- 2010-11: 47,920

4. Share Capital

The corporation has authorized 5,000 common shares with a $1 par value. As at March 31, 2009, there were 100 common shares issued and outstanding. The Government of Prince Edward Island, as represented by the Minister of Fisheries, Aquaculture and Rural Development, is the sole shareholder.
