

Provincial Minister's Shellfish Recognition Award

Guidelines and Nomination Form

Objective:

To recognize senior members of the PEI shellfish industry for their long standing contribution to the development and harvest of quality shellfish.

Guidelines:

- (1) The PEI International Shellfish Festival will be the venue for the PEI Minister responsible for Fisheries and Aquaculture to present awards annually recognizing senior members of the shellfish industry.
- (2) Normally, two awards will be presented annually.
- (3) Nominees must be senior members of the industry with a long term involvement in the harvesting, culture, processing or marketing sector.
- (4) Nominees can be active, semi-active or recently retired from the shellfish industry.
- (5) Nominations will be accepted from organizations representing the shellfish industry, shellfish fishers, aquaculturists, processors or the general public.
- (6) Nominations must be forwarded to the PEI International Shellfish Festival Organizing Committee to the address on the attached nomination form complete with the requested information.
- (7) The 2010 deadline for nominations is **Friday, September 3rd**.
- (8) Persons nominated in past years who have not received the award can be reconsidered if the individual or group nominating the person are in agreement.
- (9) A Selection Committee of the PEI International Shellfish Festival Organizing Committee will review all nominations and recommend individuals to be recognized to the Minister.
- (10) Recipients of the Shellfish Recognition Award will be contacted prior to the PEI International Shellfish Festival to obtain further information and ensure participation in the award ceremony.
