

Our Mission

PEI Family Violence Prevention Services Inc. is a community volunteer organization, based on the principles justice, equality and peace. We are dedicated to the eradication of physical, sexual, and emotional violence in families through advocacy, prevention programs and the provision of quality services designed to empower and support those affected by family violence.

Supporting Families

We invite you to join the 2017/18 Annual Financial Campaign for PEI Family Violence Prevention Services. This year's campaign focuses on our Outreach services. Outreach workers play an integral role in supporting parents and their children during one of the most distressing and challenging times in their lives.

Outreach workers offer a variety of support tools for families. Handle with Care and Triple P Parenting are both complimentary programs that foster positive connections and an emotionally healthy home. Workers are trained in the impacts of abuse on children, what this means for their development and how parents can support their children to help them heal. Services are offered Island-wide with offices located in Montague, Charlottetown, Summerside and O'Leary. We believe that healthy parents raise healthy children!

Over the past year PEI Family Violence Prevention Services has served 364 women and 446 children.

"My son's teacher called yesterday saying she is noticing a big change in him and that she sees him smiling, laughing, and interacting with other students!"

~Outreach Client
