**Legend**

 Polling Divisions

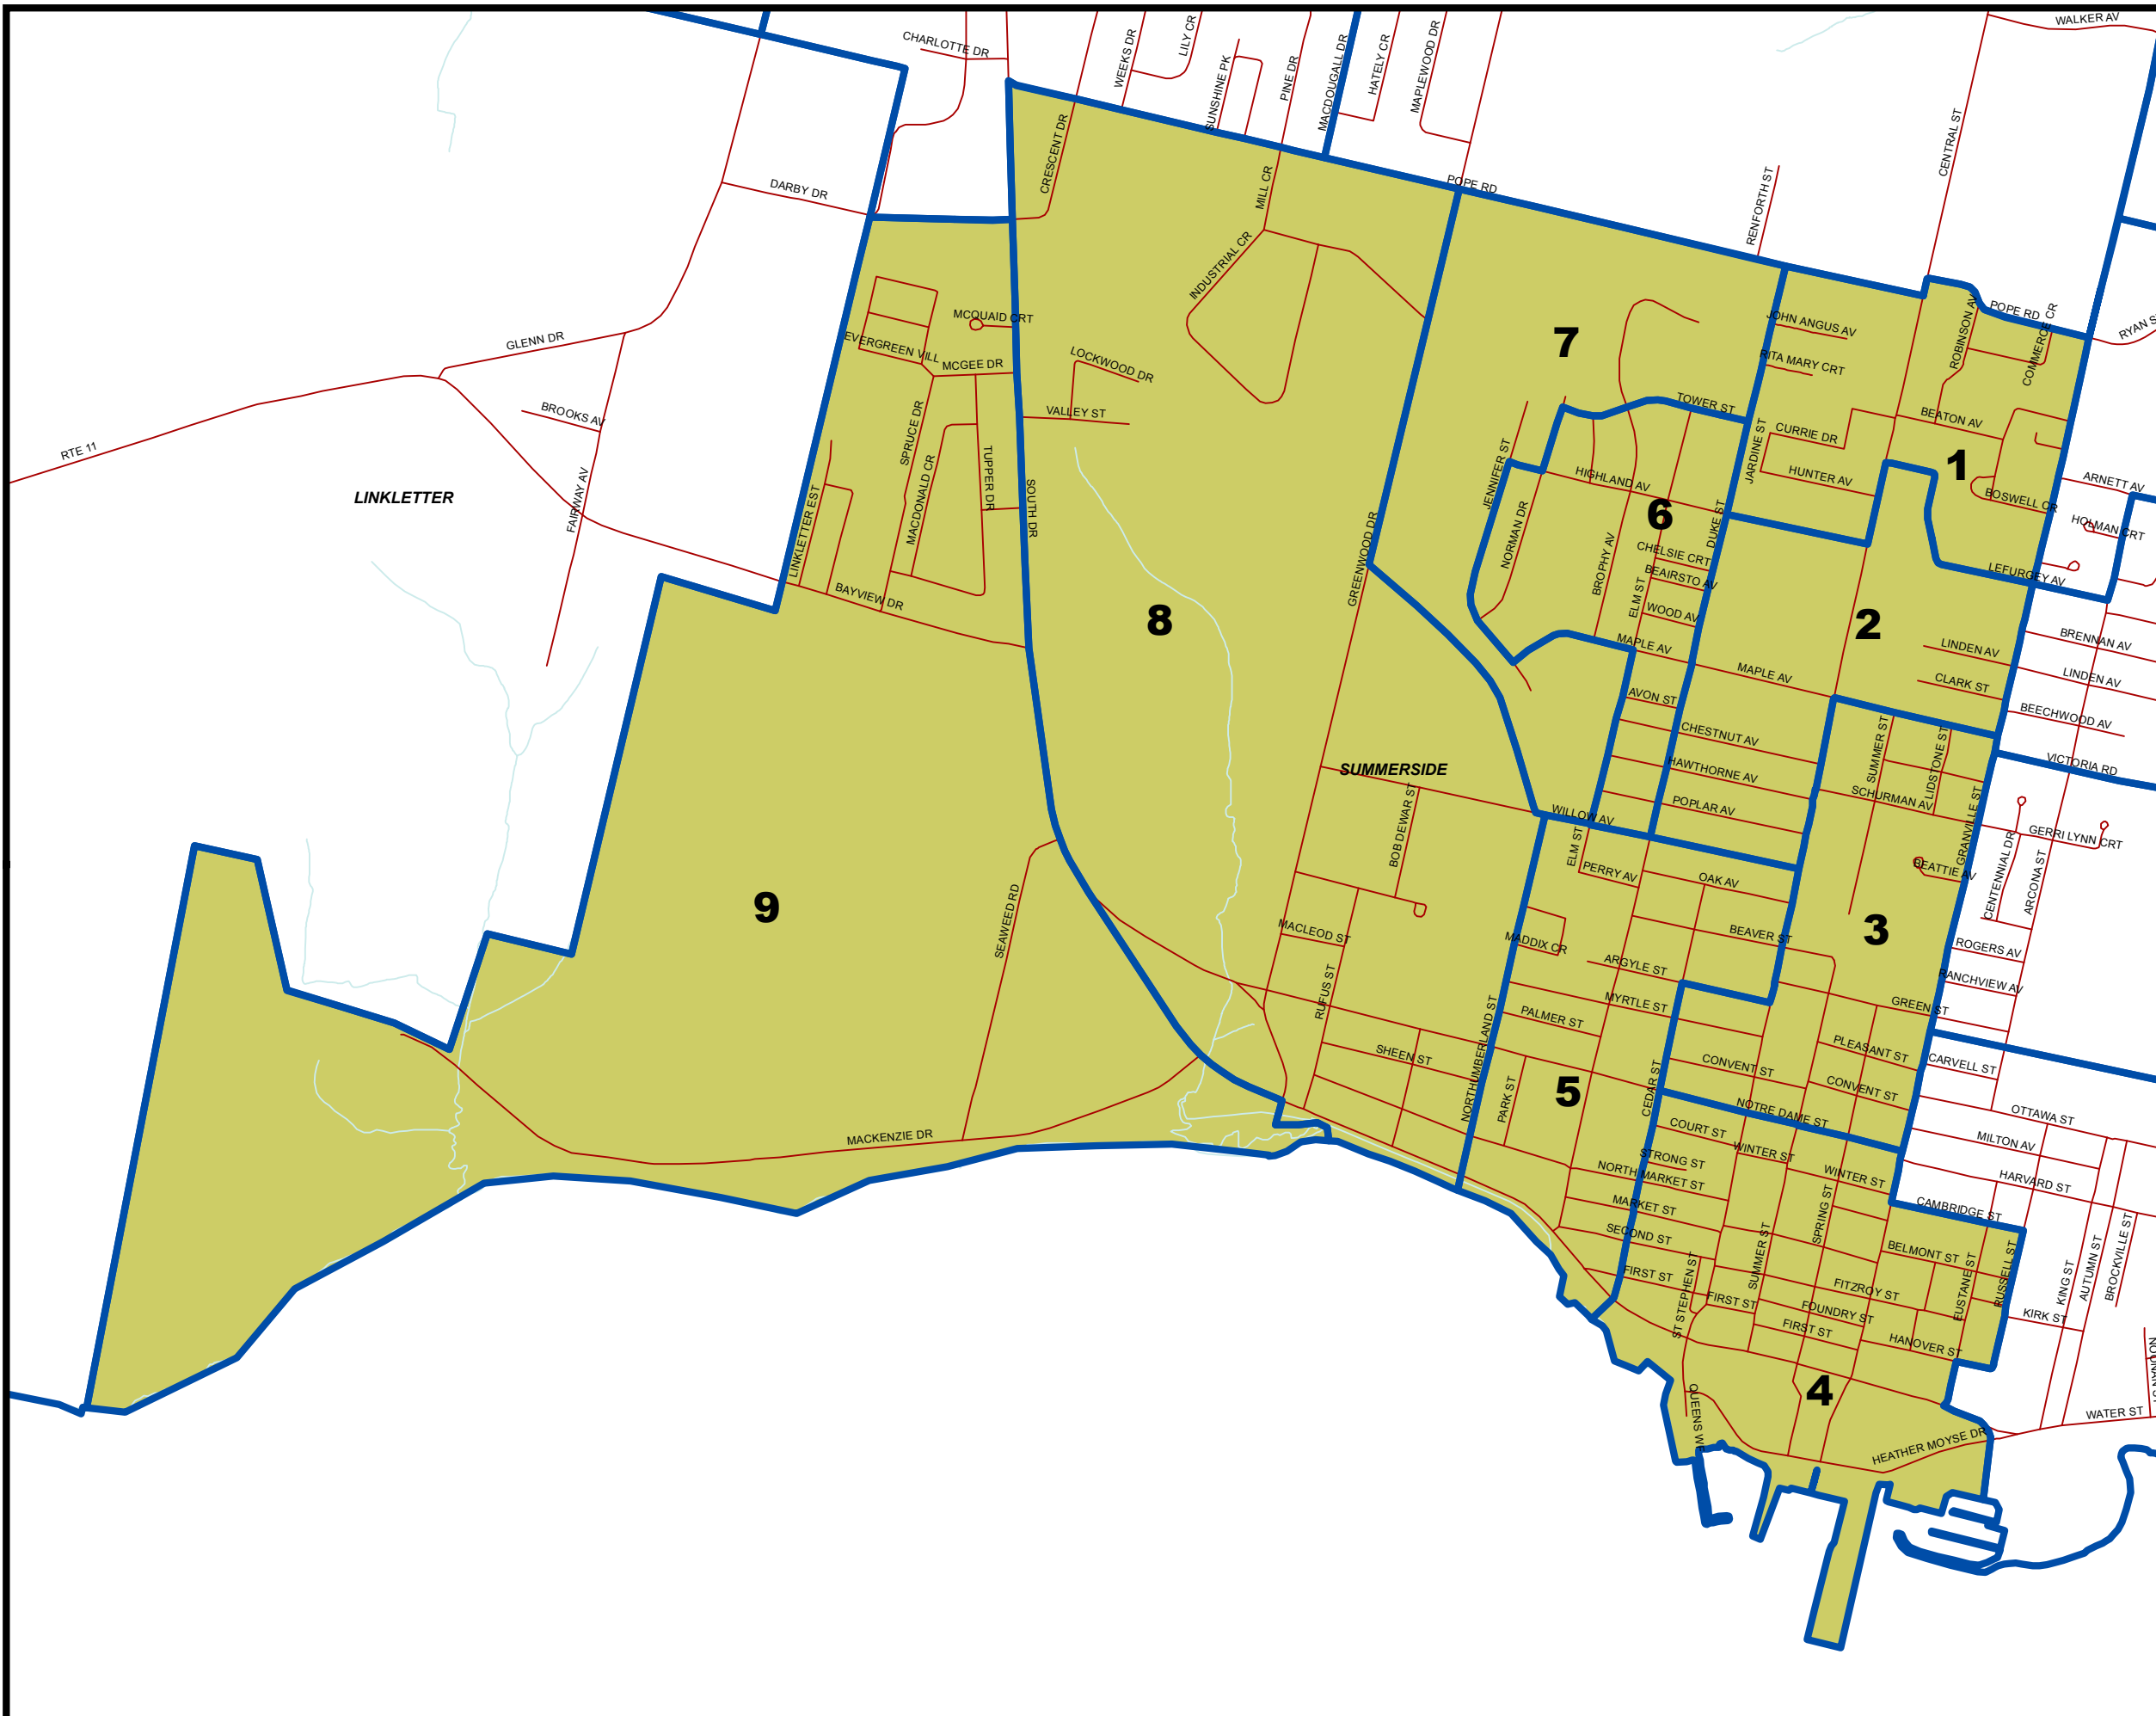

An elector's polling division is determined by the location of the elector's civic address rather than in accordance with the physical location of the elector's residence.

Where a street or road is used as a boundary, electors living on opposite sides of that street or road will vote in different polling divisions

The maps are designed as a general index of the electoral district divisions and are not intended to be used for measurements or for legal purposes.

176 Great George Street, Suite 160
