

MIND THE GAP: A CLOSER LOOK AT VIOLENCE, RESISTANCE AND LANGUAGE

**With Linda Coates and Shelly Bonnah
The Centre for Response-Based
Practice**

Where there is violence, the gap between what a person knows inwardly and expresses outwardly can grow to massive proportions.

In this seminar, we will explore the myriad forms of resistance to violence, examine the connection between violence and language and identify professional practices that restore dignity to victims of violence and promote accountability among perpetrators. We explore social responses and their significance for victim recovery.
