

I'm never going to get a good grade on my homework. I don't understand a Healthy Relationships.

In a Healthy Relationship there is communication, you can share your feelings tell them how you feel, also listen to a person who is sharing their feelings.

POP!

Did somebody say Healthy Relationships?!

Also in a healthy relationship there is understanding. Understand them, make sure you are aware of how they feel.

Wow! Where did you come from?!

Home work land!

And... always appreciate your healthy relationship.

Um okay.

A healthy relationship is filled with love.

Wow thank you!

Wow! She is gone.

PUFF!

A Healthy Relationship also means that you have to respect them, support them and also be responsible in the relationship.
