

Cooper Institute and the PEI Association for Community Living are holding **focus groups** about preventing and dealing with abuse among men and women with disabilities.

We want to find out:

- What kinds of programs help to prevent people from being abused,
- What kinds of services exist to help people if they are abused, and
- What kinds of programs and supports we need in the community.

If you have a disability, and if you are interested in participating in a focus group, please call Ann at **894-4573**, (Toll-Free **1-877-894-4573**), or email cooperinstitute@eastlink.ca
