

Leadership Development Opportunity

Responsive Leadership for a Diverse Community

Change Is Opportunity—The *Responsive Leadership for a Diverse Community* training program is your first step in becoming a more effective leader. This program is designed for those overseeing change within our increasingly diverse PEI communities and workplaces.

A Personal Leadership Journey—Over three days and several modules, key leadership attributes will be explored. Your self-directed leadership journey will be complemented by speakers, subject matter experts, and dedicated facilitators.

Improve Your Leadership Abilities—This learning opportunity challenges participants to strengthen their leadership attributes over the course of the program, which includes:

- Personalized leadership training
- Guided support from several facilitators
- Daily training sessions from subject experts
- Multicultural Education “Cross Cultural Effectiveness”
- Myers-Briggs® - Personality Assessment and Training
- Networking opportunities with other leaders
- Refreshments and lunch each day
- Certificate of completion
