2016 Family Violence Prevention Week Mini-Grants

The Premier's Action Committee on Family Violence Prevention (PAC) encourages Island municipalities to play an active role in 2016 Family Violence Prevention Week, 14-20 February.

Family Violence Prevention Week highlights PAC's vision of a society where all individuals are safe, respected and valued; where any form of violence is unacceptable; and where children, women and men have opportunities to reach their full potential and contribute to the overall well-being of families and communities.

Encouraging Islanders to reflect upon, learn about, and take action on family violence prevention is important. To provide a little help with expenses that might come up in hosting a Family Violence Prevention Week event, PAC invites municipalities to apply for a \$100 mini-grant.

Municipalities are eligible to apply for a single grant in support of any event during Family Violence Prevention Week that is consistent with the PAC vision. Your imagination can be your guide about what would be the best fit for your municipality! Examples include an evening information session, a brown bag lunch with guest speaker or facilitated discussion of a video such as a Ted Talk, a display of family violence resources, a community walk, and so on. The funding might help with printing, refreshments, venue, materials or other expenses. Up to 15 grants will be awarded.

We've kept the attached application form simple! Applications are **due by 5:00pm on 31 December, 2015**. Early submissions are encouraged.
