Note: "N/A" notation appearing in some categories stands for "not applicable" and means that there is no MAC price set because the prices of the various brands in the category are the same or similar. Each brand within that category will be reimbursed as defined within the present Agreements.

## ASSIGNMENT OF DINS FOR BILLING PURPOSES ONLY

The following products have been assigned an identification number by the Provincial Drug Programs for billing purposes only. This allows you to dispense the brand of your choice.

For reimbursement purposes, a unit price has been determined for each product.
