2. On all roads not listed in Schedule 1 of this Notice, the maximum permissible weight on any axle or axle group is 75 percent of the maximum allowable weight on that axle or axle group as shown in the *Roads Act*, Vehicle Weights Regulations [EC2002-1] Schedule 4, Category 1 to 9 inclusive, **with no tolerance**.
3. (a) On all roads, the maximum permissible weight for vehicles carrying livestock, feed for livestock, milk, fish or potatoes is the axle weight as permitted under Schedule 1 of the Vehicles Weights Regulations **with no tolerance**.

 (b) **All commercial vehicles carrying livestock feed, livestock, milk, potatoes, and fish are required to use the shortest distance to and from all-weather highways. Non all-weather highways are not to be used for shortest distance and convenience during this period.**

All vehicles hauling bulk milk are required to follow a plan for their truck load routes approved by the Minister.
4. Should extensive pavement deterioration occur on any highway, that highway may be signed with a lesser allowable weight, and when such a sign is posted on a highway, the maximum permissible weight on that highway shall be the weight shown on the sign **with no tolerance**.
5. These weight restrictions will be enforced.
6. This Notice is issued under authority of Section 54 of the *Roads Act*, Vehicle Weights Regulations.

Minister of Transportation and Infrastructure Renewal
Honourable J. Alan McIsaac
