

FWIC PAST PRESIDENT'S COMPETITION 2015

FWIC at One Hundred

During the past year the last two provinces turned 100, with the exception of Newfoundland/Labrador who celebrated 75 years. The celebrations are over and now we look forward to 2019 when FWIC reaches the century mark.

Our organization (Women's Institute) has existed for more than 100 years because of you, the members, and we would like to hear from you.

As a Past President of such a great organization as FWIC, I would like to see us move forward to leave our country and indeed the world a much better place for our children and grandchildren, hence the competition and my challenge to you.

Where do you see FWIC at 100? How has FWIC inspired you and what do you see as the challenges for the future? What is your vision for FWIC moving into the second century?
