PRINCE EDWARD ISLAND
BUSINESS DEVELOPMENT

One of the pleasures of living in or visiting Prince Edward Island is discovering the creativity and personality behind the people who make our craft industry so special. The Province of Prince Edward Island is pleased to present you with this directory and encourages you to experience this vibrant industry by visiting some of our local artisans.

There are three new sections in this year's booklet: *Craft Organizations and Guilds*; *Where to Dine and Stay* and *Where to Shop for Island-made Product*. They will help you plan a vacation that could include lunch at a tea room or café and a night in a cozy bed and breakfast.

If you're visiting Prince Edward Island the last weekend in September, don't miss the *Studio Rally Weekend*. You will have an opportunity to see the artists at work and talk with them about their creations.

Hon. Michael F. Currie
Minister
Department of Development
and Technology

Découvrir la créativité et l'originalité animant les personnes qui rendent l'artisanat de l'Île si remarquable, voilà un des plaisirs dont peuvent jouir les habitants et les visiteurs de l'Île-du-Prince-Édouard. La province de l'Île-du-Prince-Édouard est heureuse de vous présenter un répertoire de l'artisanat et vous encourage à découvrir l'industrie en rendant visite aux artisans locaux.

Il y a trois nouvelles sections dans le livret de cette année : *Craft organisations and Guild*, *Where to Dine and Stay*, et *Where to Shop for Island-made Products*. Elles vous aideront à planifier des vacances incluant un déjeuner dans une salle de thé ou un café, et une nuit dans le lit douillet d'un gîte du passant.

Si vous êtes de passage à l'Île-du-Prince-Édouard durant la dernière fin de semaine du mois de septembre, profitez de *la fin de semaine du rallye d'ateliers*. Vous aurez la chance de voir les artistes au travail et de leur parler de leurs créations.

*Le ministre du Développement
et de la Technologie,
Michael F. Currie*
