

## Better Together

People who collaborate learn from each other and create synergy. That is why learning organizations are made up of teams that share a common purpose. Organizations need togetherness to get things done and to encourage the exploration essential to improvement. ~ Charles Handy, "Managing the Dream" in **Learning Organizations**

**Find out how collaboration can support teaching, improve learning and increase teacher satisfaction.**

**Thursday, September 2, 2010: WSB - Credit Union Place, Summerside.**

**Friday, September 3, 2010: ESD - Civic Centre, Charlottetown**

**9:00 am-3:15 pm (lunch provided)**

Wayne Hulley will provide the necessary tools to advance your collaborative journey, whether you are just starting, well on your way, or in need of rejuvenation. In this session, educators will focus on ways they can work together to analyze and impact professional practice in order to improve student learning.

Wayne Hulley is recognized as a Canadian leader in developing and implementing collaborative team models in educational settings. He has extensive experience with effective schools research. He knows the power of working collaboratively. His uniquely hopeful approach results in schools that are effective, efficient and excellent. Recent publications include: *Harbors of Hope* and *Getting By or Getting Better: Applying Effective Schools Research to Today's Issues*.
