# *Introduction*

Le présent répertoire a été préparé afin de donner des renseignements de base aux familles par rapport aux centres d'apprentissage et de garde des jeunes enfants accrédités. Les descriptions fournies devraient aider les parents à restreindre leur choix d'établissement par rapport au lieu, aux heures d'ouverture, aux groupes d'âge desservis, etc.

On encourage toutefois les parents à ne **pas** faire un choix fondé uniquement sur les renseignements contenus dans le présent répertoire. Il est très important de visiter chaque centre potentiel afin d'avoir un aperçu de l'atmosphère qui y règne, de rencontrer les membres du personnel, de voir comment ils interagissent avec les enfants, etc.

Le Guide de l'ADPE pour une garde d'enfants de qualité est à la disposition des parents. Ce guide leur offre des suggestions de questions à poser lorsqu'ils choisissent un programme pour leur enfant. Pour obtenir un exemplaire du guide, communiquez avec l'Association pour le développement de la petite enfance en composant le 902-368-1866 ou consultez le site **[www.earlychildhooddevelopment.ca](http://www.earlychildhooddevelopment.ca)**.

Les parents peuvent utiliser le Répertoire des services d'apprentissage et de garde d'enfants pour voir s'il y a de la place à l'établissement de leur choix ou pour voir ce qui est disponible pour leur enfant. Ouvrez une session sur le site **[www.elccregistry.ca](http://www.elccregistry.ca)**.

# *Types de centres*

**Centre d'apprentissage et de garde des jeunes enfants :** « ... un établissement dont l'objectif principal est d'offrir un programme d'apprentissage et de développement de la petite enfance avec des activités adaptées à l'âge. »

Les centres de la petite enfance comportent :

- des programmes d'une demi-journée ou d'une journée complète pour les groupes formés d'enfants d'âge différent
- un programme d'une demi-journée pour les enfants de 3 et 4 ans

**Service de garde en milieu familial :** “ ... un établissement situé dans une résidence privée dont l'objectif principal est de fournir une garde relativement informelle qui se concentre sur les activités d'enfants axées sur la famille.”

**Centre d'âge scolaire :** “ ... un établissement opérant en dehors des heures de classe et proposant un programme relativement peu structuré dont l'objectif est de surveiller et de divertir les enfants d'âge scolaire.”

# *Politiques du programme d'apprentissage et de garde des jeunes enfants*

Les renseignements concernant les politiques spécifiques des centres d'apprentissage et de garde des jeunes enfants accrédités n'ont pas été inclus dans ce répertoire. On encourage les parents à en discuter avec chaque établissement considéré.

En général, les politiques des centres d'apprentissage et de garde des jeunes enfants ont tendance à être relativement semblables. Les parents peuvent s'attendre aux conditions suivantes :

- le paiement est requis pour tous les jours fériés
- le paiement est requis pour les journées de temps te
- le paiement est requis pour les journées de maladie; les centres pourraient négocier une autre entente lorsqu'un enfant s'absente pour des raisons médicales pendant une période prolongée
- certains centres permettent un nombre fixe de journées de vacances par enfant par année; un préavis est habituellement exigé
- un préavis de deux semaines est requis si un enfant ne va plus fréquenter un centre; en l'absence de préavis, un paiement de deux semaines est exigé
- les frais (garderie) temps plein s'établissent, en moyenne, 165 \$ par semaine pour les nourrissons, 135 \$ par semaine pour les enfants de 2 ans et 130 \$ par semaine pour les enfants de 3 à 13 ans.

# *Initiative préscolaire d'excellence de l'Î.-P.-É.*

L'Initiative préscolaire d'excellence a marqué un changement fondamental dans l'objectif stratégique du gouvernement, passant du soin des enfants à l'apprentissage des jeunes enfants, et mettant en valeur l'introduction, la mise en oeuvre et la promotion des tout nouveaux centres de la petite enfance. Cette nouvelle vision en matière d'éducation précoce continue à appuyer une approche attentionnée, axée sur les enfants et soutenue par les familles, et ce, pour le bien des enfants et des familles.

Le but de l'Initiative préscolaire d'excellence est de créer un système d'apprentissage précoce de qualité, accessible (disponible et abordable) et durable à l'Île-du-Prince-Édouard. Le calendrier de mise en oeuvre est fixé à cinq ans à partir de mai 2010; à l'heure actuelle, il y a 45 centres de la petite enfance d'un bout à l'autre de la province. Ces centres emploient du personnel formé, offrent un programme éducatif destiné à la petite enfance, ont des comités consultatifs de parents ainsi que des taux quotidiens de 33 \$ par jour pour les enfants de moins de 2 ans, de 27 \$ par jour pour les enfants de 2 et 3 ans, puis de 26 \$ par jour pour les enfants de 3 ans jusqu'à l'âge d'entrée à l'école.

Les parents sont encouragés à s'informer auprès des membres du personnel pour voir si leur établissement est un centre de la petite enfance.

# *Programme de subvention pour la garde d'enfants*

Le Programme de subvention pour la garde d'enfants est administré par le ministère des Services communautaires, des Aînés et du Travail afin d'aider les parents à défrayer les coûts des services d'apprentissage et de garde des jeunes enfants. Des subventions complètes ou partielles sont offertes.

Les subventions servent à couvrir les frais de garde des centres d'apprentissage et de garde des jeunes enfants ayant été accrédités par le Conseil des établissements de services de garde. Il peut s'agir de programmes d'apprentissage et de garde des jeunes enfants, de garderies en milieu familial et de programmes avant ou après les heures de classe.

Toutes les familles de l'Île ayant besoin d'un centre accrédité peuvent présenter une demande. Les motifs de placement comprennent notamment :

- le travail ou la formation des parents
- les besoins spéciaux diagnostiqués de l'enfant
- les enfants ayant besoin de protection
- les besoins médicaux des parents

Le montant de la subvention, cependant, dépend du revenu familial net mensuel et est déterminé par une évaluation à échelle mobile des revenus, établie en fonction de la taille de la famille.

Si votre enfant est inscrit à un programme d'apprentissage et de garde des jeunes enfants et fréquente déjà un centre accrédité, vous pourriez encore être admissible à une subvention. Il n'est pas nécessaire que la demande soit faite avant l'inscription d'un enfant à un centre.

La demande de subvention peut être présentée au bureau du ministère des Services communautaires, des Aînés et du Travail le plus près. La vérification du revenu est exigée.

Pour plus de renseignements, veuillez communiquer avec l'agent chargé du Programme de subvention pour la garde d'enfants dont le nom apparaît sur la première feuille de votre comté.
