June 13, 2016

Dear Parent or Guardian,

I invite you to participate in the **PEI Education Engagement Survey the week of June 13<sup>th</sup>**. As you may know, the Student Survey (Grades 4-12) took place last week. Now, parents across PEI have the same opportunity.

The purpose of this survey is to gather information from parents to better understand their opinions, attitudes and perceptions with regard to their experiences with the school system. Educators will also have the opportunity to complete a similar survey. The results of these surveys will help students, educators and parents to work together as partners in striving for excellence in education on Prince Edward Island.

**Please note the following:**

- This survey is electronic and takes about 15 minutes to complete. To complete a paper form of this survey, you may pick one up from your school.
- If you have more than one child in the school system, you are welcome to complete the survey for each child.
- Your responses will remain completely confidential and anonymous. There is no way to link your responses with your name or email address. Responses go directly to research and evaluation staff at the Department of Education, Early Learning and Culture and are kept secure.
- Results from this Parent Survey, as well as from the Student and Educator Surveys, will be rolled up into a report for each school to be used for planning school goals.
- The information collected through this survey will be used only for the purpose stated above. The information is collected under Section 31 of the *Freedom of Information and Protection of Privacy Act*.

**The survey link is: <http://goo.gl/forms/izi2KdVAeo7ql1Uz2>**

**Your feedback is very important and greatly appreciated.**

Sincerely,

Hon. Doug W. Currie  
Minister
