

Prince Edward Island

# Insulin Pump program

for  
**children and  
youth**

**Beginning on July 1, 2014,  
children under the age of 19,**

living with type 1 diabetes in PEI can apply to the  
**PEI Insulin Pump Program** to help offset the cost  
associated with insulin pump therapy.

Talk to your health care provider for more information.  
or contact the Provincial Diabetes Program at (902)838-0787
