## ***I. Legislation, Mandate, and Commissioners***

---

The Commission's authority arises from a 1994 amendment to the *Legislative Assembly Act*, which established the independent Indemnities and Allowances Commission. Its purpose is to review annually the remuneration and benefits of MLAs and parliamentary leaders, and to report its decisions and findings to the Speaker by a legislated deadline of December 1.

A copy of *Legislative Assembly Act*, Section 46, is included in Appendix A.

The Honourable Carolyn Bertram, Speaker of the Legislative Assembly, appointed Barbara Stevenson, Q.C., Chair; Stan MacPherson, FCA, and; Ronald Profit, Q.C., as Commissioners to the Indemnities and Allowances Commission.

## ***II. Research***

---

In determining the annual salary adjustment, the Commission established the following processes and factors as most relevant:

- i Analysis of current MLA remuneration and benefits
- ii Review of previous Commission reports
- iii Comparison of all provincial and territorial MLA remuneration levels
- iv Review of Consumer Price Index (CPI)
- v Trends in negotiated salary increases
- vi Written submissions to the Commission

### **i. Analysis of current MLA remuneration and benefits**

As of April 1, 2013, the base salary for an MLA is \$67,400. Additional salaries and allowances are provided for the Premier, Ministers, Speaker, Deputy Speaker, Leader of the Opposition, Government House Leader, Opposition House Leader, Government Whip, Opposition Whip, Non-Ministerial Member of Executive Council Committees, and Leader of a Third Party (see page 7 for current remuneration information).

Benefits, including health, dental, pension, group insurance, and life insurance are provided for MLAs based on the same terms and conditions applied to the Excluded Group of Employees in the Provincial Civil Service, with the exception of long term disability benefits. In addition, MLAs receive professional support in the form of staff, communication services, travel allowances, office facilities, and computer hardware to assist in the performance of their duties.

The Commission notes that due to the passage of *Bill No. 34, An Act to Amend the Legislative Assembly Act*, in May 2010, and *Bill No. 3, An Act to Amend the Legislative Assembly Act*, in May 2012, MLA salaries remained at 2009 levels until January 1, 2013.

### **ii. Review of previous Commission reports**

Previous Commission reports were reviewed to ensure continuation of any precedents, and to carry forward any previously-noted issues requiring the Commission's attention.

### **iii. Comparison of all provincial and territorial MLA remuneration levels**

The Commission received an inter-jurisdictional survey of MLA indemnities and allowances compiled in 2013. The survey provided an overview of remuneration paid to MLAs across the country, compiling the data into a comparative table that included information on any taxable and non-taxable allowances, as well as information on compensation for committee members who attend committee meetings. The Commission considered these findings and has included, in Appendix B, a summarized table of the base salaries received by MLAs in all Canadian jurisdictions.

In reviewing the base salaries of legislators in all provinces and territories, the Commission noted that Prince Edward Island MLAs continue to receive the lowest base salary in Canada, and 80% of the Atlantic Canadian average (see Appendix C).

### **iv. Review of Consumer Price Index (CPI)**

In considering the matter of MLA Compensation, the Commission reviewed CPI for PEI and noted that it has been increasing steadily.

The All Items Consumer Price Index information for Prince Edward Island and Canada for October 2013 (most recent data available), as well as the 2013 annual averages, are included in Appendix D.

### **v. Trends in negotiated salary increases**

The Commission reviewed the status of negotiated salaries for public sector collective bargaining units in Prince Edward Island.

### **vi. Written submissions to the Commission**

The Commission decided to canvass public opinion on the subject of MLA remuneration; accordingly, the Commission placed an advertisement in local newspapers inviting written submissions on the subject of MLAs' salaries and allowances.

The Commission acknowledges the input of those who made submissions and thanks them for their efforts. These include George Clark-Dunning; John W.A. Curtis; Ken Gillis; Carl Hamm; Marc J. L'Heureux, CGA (ret'd); Gary A.O. MacKay; Muriel Power; Mike Redmond, Leader of the Prince Edward Island New Democratic Party; Mark Robertson; Donna Sears; Heather Walsh; Betty Wichers; Brian Williams; John Zarwan, and; a petition from fifty-two citizens of Borden-

Carleton and area.

A total of sixteen submissions were received, and are summarized as follows:

- given the current economy and the growing provincial deficit, remuneration should be frozen at current levels and future increases should be based on job performance;
- increases in remuneration should be frozen until there is a balanced provincial budget, and;
- MLA remuneration should be more reflective of the average income of Island taxpayers.

The Commission appreciates this input and thanks those who took the time to contribute to the Commission's work.
