Dear Madam Speaker,

The Indemnities and Allowances Commission has completed its report as legislated by section 46 of the *Legislative Assembly Act*, and respectfully submits the following.

Barbara Stevenson, Chair

The Indemnities and Allowances Commission is established pursuant to section 46 of the *Legislative Assembly Act*. Subsection 46(6) of the *Act* directs the Commission to report its decision regarding compensation of persons referred to in subsection 46(1) to the Speaker on or before the first day of December each year.

On May 19, 2010, Bill No. 34, *An Act to Amend the Legislative Assembly Act*, received Royal Assent, amending the *Legislative Assembly Act* by adding the following subsection;

- 46 (10) Notwithstanding anything contained in this section,
- (a) there shall be no increase in the remuneration and benefits paid to any person referred to in subsection (1) in accordance with this section until April 1, 2012; and
 - (b) no increase in the remuneration or benefits paid pursuant to this section shall occur for the year 2010, except in accordance with clause (a) and as recommended in the report referred to in subsection (6).

In accordance with the above amendment, the Commission has no authority to adjust levels of compensation of the persons referred to in subsection 46(1) of the *Act* for the 2011/2012 fiscal year.

This is the 2010 report of the Commission.
