

Awakening the Invisible to Achieve the Impossible: Inspiring Leadership and Collaborative Partnerships in Health

Leadership Workshop & Mixer for Health Sector Partners

The PEI Health Sector Council and Health PEI invite you to attend one of five leadership workshops and mixers taking place across the province on March 10th and 11th, 2015.

Network with public, private and non-profit leaders and awaken the collaborative leader in you - building collaborative relationships within the health sector of PEI.

The two-hour event will include a mixer showcase and keynote. We welcome health organizations to be a part of the showcase. Interested exhibitors are asked to contact the PEIHSC, space is limited.

MARTIN LATULIPPE

Keynote:

Awakening the Invisible to Achieve the Impossible

We all know that leadership is a choice, a daily decision that we all have the power to embrace everyday. But in the health sector, this is not always an easy task for managers and leaders that are bombarded by so many different situations day in, day out. In this highly interactive session, you will discover where top performers focus their psychology, their energy and their emotions to really move the needle of performance in their organization and across the sector, as well as in their personal lives.

Biography:

Social entrepreneur, award-winning philanthropist and bestselling leadership author, Martin Latulippe uses keynotes and seminars as a platform to inspire and empower – helping people to build the kind of world-class mindset that will move them from potential to performance.

Martin is a rare bilingual hybrid of business strategist, inspirational speaker and human potential expert. His ability to move audiences to action with his quick wit, brilliant insights, and wildly entertaining storytelling sets him apart. Martin already had the privilege of sharing the stage with some of the greatest in the world – Sir Richard Branson, Clara Hughes, Gen. Rick Hillier, and Hayley Wickenheiser, just to name a few. www.martinlatulippe.ca
