As Prince Edward Island’s Minister of Transportation and Infrastructure Renewal, I am pleased to present this fully updated Provincial Road Atlas.

This document is a very useful tool for government, businesses, visitors and residents alike. It gives a comprehensive overview of all island roads, each road type and other valuable information. Staff in my department worked very hard to provide this atlas to Islanders and I am very proud of the document they have produced.

It is my hope that you will find the following pages informative and beneficial. Safe driving.

Robert Visnovsky
Hon. Robert Visnovsky

Transportation and Infrastructure Cultural Features

NOTE:
Background colours symbolize electoral districts in the 1:50,000 maps and communities in the 1:12,500 maps.

Private roads are only labelled in the 1:12,500 maps.
The user of the data herein accepts and agrees that the data may be incomplete, inaccurate or in error; and that the Province of Prince Edward Island is not responsible whatsoever for any loss, damage or failure attributable to any use of the data.
