GOLF, FAMILY, ROMANCE & OUTDOOR ADVENTURE PACKAGES
See the classic inspired from a classic, *Anne of Green Gables—The Musical™* now in her 51st season at The Charlottetown Festival!

**THE CHARLOTTETOWN FESTIVAL**

Stratford Festival’s hit production *Alice Through the Looking-Glass* comes to our stage!

Sponsored by CIBC

Ted Dykstra’s *Evangeline*, an epic story of love and hope, back by popular demand!

The Charlottetown Festival’s 2015 season is stellar in every sense, with powerful, irresistible, or quirky heroines starring on our main stage. *Anne of Green Gables—The Musical™* owns a Guinness Record as the world’s longest-running annual musical; *Alice Through the Looking-Glass* is presented in association with the Stratford Festival; and after an unforgettable 2013 world premiere, *Evangeline* returns to Charlottetown as a co-production with Edmonton’s Citadel Theatre. The Charlottetown Festival runs from June 10 to October 10.
There are three convenient ways to arrive on Prince Edward Island.

Regardless of where you arrive, the size and crescent shape of the Island make it easy to begin your tour at one entry point and end at the other.

Arriving via the Charlottetown Airport places you in the central part of the Island, an ideal starting point for your tour.

Driving from New Brunswick, cross the dramatic Confederation Bridge, a journey that takes about 10 minutes and brings you to Borden-Carleton in the southwestern region of the province. Or make the journey from Nova Scotia with Northumberland Ferries, a crossing that operates May through mid-December. The mini-cruise takes about 75 minutes and docks in Wood Islands in the province’s southeastern region. And remember, you pay a bridge or ferry toll only when you leave!
We’ve organized our Island Vacation Packages into five categories for you.

Whichever type of experience you choose, each will put you in touch with friendly people who are happy to recommend their favourite restaurant or beach, steer you toward the best antique shop or fishing spot, and even share an Island secret or two. Our five categories are multi-day experiences that include overnight accommodation as part of the vacation package.

**Get Together**
Here’s a selection of packages that will entice the old gang to gather for some brand new fun. ...................... page 12

**Island Traditions**
Allow yourself to be truly immersed in the Island way of life. Soak in our music, stories, customs, and rich history. ..... page 16

**Family Focus**
Choose from a variety of experiences that will help you spend real time together, and rediscover all of the little things you love about your family. ............ page 20

**Sea of Love**
If you’re looking for a romantic setting, why not include gorgeous sunsets, the sound of the surf, and a fresh lobster dinner? ...................... page 28

**Golf Heaven**
It’s just what it sounds like. With affordable green fees, more than 30 courses, and breathtaking scenery surrounding every fairway. ........................... page 36

Come create some new memories
Everyone’s family photo album has at least one of those happy-goofy “here we are on vacation” shots. The composition is off and the color is faded, but the mood is unmistakably relaxed. It may not be possible to relive the moments themselves, but you can recreate the feelings. Prince Edward Island provides just the right mix of nostalgia and fun to do just that.

A few symbols...
We have a few symbols on our packages designed to give you pertinent information at a glance.

We Customize
This “happy” symbol indicates the operator will customize a package just for you! Go ahead and ask for the extras you’re looking for.

★★★★ Canada Select
Many packages display the Canada Select rating and category for accommodations.

Commissionable
This symbol designates packages that are commissionable to the travel trade industry.

Want to find the best places for live music, local eats or where to catch the perfect sunset? Who better to answer your PEI questions than people who live here? Connect with our team of Islanders: chefs, artists or outdoor enthusiasts who’ll share their Island secrets.

Crank up the fun!

As unique as the Island is, we also share some of those childhood memories that make summers special. The thrill of a speeding roller coaster, or the sheer joy of whipping down a waterslide. That inexplicable satisfaction of slamming your bumper car into your dad’s. The fascination with museums populated by wax statues and devoted to life’s most bizarre events. They’re all part of the escape from the everyday that helps make summer so much fun. On PEI, we have all of those expected diversions, and quite a few unexpected ones too!

Imagine the perfect PEI getaway, with all of your activities planned out and pre-arranged. Our Island Vacation Packages allow you to focus on fun and relaxation, and forget about the details.

And the difference is in the details.

“Going to the beach” means different things to different people. Just reading that phrase probably brought a vivid image to your mind. Was it a long walk with the waves lapping at your feet? Lying on a blanket with your eyes closed and the hint of a smile on your face? Building a sandcastle? That’s one of the great things about a beach: it provides the perfect setting, and you create the experience.
PEI is the **perfect place** to learn a new activity. How about golf? Kayaking?
Experience the “Island Way”

We have a story to tell—one that reflects our rich culture and history, and of course, this glorious Island. So we’ve created special vacation packages that invite you to share in the lifestyle of Prince Edward Island.

The land is always changing; the ocean sees to that. But we hold fast to our traditions, our music and dance, our food, and the warm spirit that welcomes visitors and keeps them coming back, year after year.

Many of our Island Vacation Packages come with your very own PEI experts—people who can give you the inside story on the best seafood, the quietest beaches, the most unforgettable views.

People who love to tell you about their world.

Festivals & Events

In spring, things really start to heat up on PEI, and it’s pretty well a non-stop party until October. So be sure you’re ready for an entertaining vacation when you plan your Island visit.

Our calendar of exciting annual events now includes: The Festival of Small Halls in June, the Cavendish Beach Music Festival in July, the Jazz & Blues Festival in August, and Fall Flavours in September. And there are always plenty of special events from tip to tip.

Eating is a part of any vacation, but imagine a trip designed around the food. More and more of our guests are doing just that, with vacation packages that include culinary tours, cooking “boot camps,” and all manner of gathering, catching, and harvesting of fresh, local ingredients.
Experience our culture at our festivals, on our tables and in our smiles.
It’s time to **Get Together** with the gang and head to PEI. A holiday here will deliver plenty of new memories.

*Deep-sea Fishing, Souris*
Sometimes talking about our vacation with family and friends back home is almost as much fun as the trip itself. **Authentic PEI Experiences** will have all of them at the edge of their seats, and saying, “No way!”

Imagine describing an excursion on a lobster boat. Not just photographs of a fisherman, but pictures of you hauling up a trap and cooking your catch! Or shucking oysters you just harvested. Or creating a piece of Island folk art with your own hands. Or joining a master chef in the kitchen for a lesson in turning fresh, local ingredients into an unforgettable meal.

A Prince Edward Island vacation can include living the life of an Islander, at least for a little while. Long enough to forge lasting memories, and stories that are sure to be told again and again.

Our Island Traditions come from the music, food, language and practices of our past and present.
The Island is the perfect place to learn about and enjoy other traditions. Several pow wows are held each summer, giving visitors a chance to become better acquainted with Mi’kmaq culture. Acadian festivals commemorate our French history. You’ll also find Acadian museums and attractions in the Evangeline region. The College of Piping’s Highland Storm, local ceilidhs, and numerous other Scottish-flavoured events will give you a lively taste of our Celtic heritage. The PEI Bluegrass & Oldtime Music Festival always draws a huge crowd. Lobster suppers, dinner theatre, carriage rides, and brilliantly talented artisans. It’s all here, and much more. The vacation packages on these pages will help you enjoy as many of our Island traditions as possible.

Your **Family Focus** will come naturally in a place surrounded by warm sand and warm smiles.
If your family is like most, everyone seems to be going in different directions. There are just too many things to do and not enough room in the schedule. Before you know it, months have gone by and you can’t even remember the last time you all relaxed and had fun together. One more reason to take a family vacation on Prince Edward Island. There’s so much here, affordable and close. Do you love water slides? (Who doesn’t?) Shining Waters Family Fun Park in Cavendish is a whole day’s worth of splashing and happy faces. Nearby Sandspit Amusement Park, Green Gables, and Avonlea Village are all designed around families.

Or choose a package that includes one or more of the following: a day at the beach, horseback riding, mini-golf, picnics, breakfast, dinner, ice cream, free movies, kids’ surprise gifts, and much more.

See the lights
Lighthouses speak to people, just as they call out to ships weathering a storm. Maybe it’s the hope they represent, the promise of a safe haven. Whatever the reason, we guarantee you’ll find yourself drawn to them too. More than 50 lighthouses dot our ragged coastline, and 38 still function as navigational aids; nine remain open to the public. The lighthouses of PEI: different heights and shapes, varying colours and designs. Each is unique, and each has its own story to tell.

Let the *Sea of Love* surround you like the gentle waves on the shores of Prince Edward Island.
The question of what makes a vacation romantic is a subjective one. But if you look through the packages on these pages, you’ll find some common elements. Many have to do with food. There seems to be a connection between the sense of taste and feelings of love. Chocolate. Wine. A gourmet breakfast. Quiet picnics. Dinner for two.

Then there’s touch. A relaxing massage. Long, slow walks on the beach. Carriage rides and holding hands. And of course, beautiful scenery. Rolling green hills, red cliffs hugging a breathtaking shore.

Okay, maybe romance isn’t so complicated after all. It’s really about spending time together. And there’s no better place to do that than Prince Edward Island.

Your Sea of Love

Ask almost anyone who’s ever been here, and they’ll tell you that Prince Edward Island inspires love. Is it the miles and miles of warm, sandy beaches? The moon glimmering on the clear, blue water? Cozy country inns or cottages, red-clay lanes disappearing over a gentle hill, or maybe just our slower pace of life? We’re really not sure. But when you’re here, you’ll make your own special memories in our Sea of Love.

**Love is in the air**

Planning a romantic day together? Maybe it begins with sleeping late and breakfast in bed. Then an unhurried walk, or a bike ride along a peaceful trail, followed by a picnic lunch. You might take a stroll down Lover’s Lane, or along the shore and dunes. Dinner by the sea, some traditional music, a quiet talk under the stars, and a soothing fire. Prince Edward Island is the perfect setting for such days, and such nights.

Experience **Golf Heaven**
by playing the Island’s impeccable courses and basking in unforgettable settings.

*Links at Crowbush Cove*
Whether you're looking for a golf vacation or just a vacation that includes golf, Prince Edward Island is the perfect choice. With more than 30 courses ranging from friendly to frustrating, your dream game is here somewhere.

What makes PEI the top golf destination in Canada? We have world-class courses—Dundarave, Brudenell River, and the Links at Crowbush Cove—where legends like Nicklaus and Watson played. You'll find nine-hole courses, luxury resorts, and everything in between. Fees are affordable and you can often book tee times online.

The Island is small, so you're never far from dining, theatre, accommodations, shopping, the beach, or that next course. Less time getting around means more time playing a round, or two! Choose one of our vacation packages and discover why so many people call this Golf Heaven!

The secret is out!
Golfers from all over North America have flocked here year after year to play the Island’s impeccable courses. Now the rest of the world is taking notice. “If people are looking for a value destination... Prince Edward Island has to be on top of their list.” – Matt Ginella, Morning Drive, Golf Channel.

At the same time, playing golf here is surprisingly affordable. We accommodate every skill level, and every travel budget.

More than any other sport, golf is intimately connected with nature. The land, air, water, and light combine to create an almost magical experience. Add the beauty of PEI’s stunning views, and you’ll understand even more why so many people call this Golf Heaven.
